A discussion on the historic use of herbs. There is a herb available for every ailment known to mankind, natural and safe. Death brings in the colon. The colon is a sewage system. When the colon is clean and normal, we are healthy. Let it stagnate and it will distill the poisons of decay, fermentation and putrefaction in the blood. Every organ in the body is poisoned and we prematurely age. Learn the way to cleanse your colon and restore body health. The meeting will be held Wednesday, December 10 at 7 p.m. 853-0659.
