

# Playground equipment discussed

By NORMA SMITH  
Eight members of the Campbellville Ball Club Women's Auxiliary attended the first meeting of the new year on Tuesday, Jan. 13 at the home of Audrey Gadd, president of the club.  
Membership dues were collected and those members holding an executive position agreed to stay on for the next year.

A lively discussion was held to decide what would be the best and safest playground equipment to be installed in the new ball park and the best location for it.

This year marks the 30th anniversary of the Campbellville Ball Club's Women's Auxiliary and to honour the occasion the members decided to have a spring dance on Saturday,

April 4 at the Campbellville Lions Hall.

They were excited about making the plans and inviting all past members of the auxiliary and ball team to attend. The next meeting will be held on Tuesday, Feb. 10 at the home of Audrey Hamby when more plans for the anniversary dance will be finalized.
