

Host foreign student

ASSE International Student Exchange Programs is looking for local families to host boys and girls from Scandinavia, USA, Australia and New Zealand, 15 to 18 years of age, coming to this area for the upcoming high school year.

These personable and academically select exchange students are bright, curious and anxious to learn about this country through living as part of a family, attending high school and sharing their own culture and language with their newly adopted host family.

The students are fluent in English and are sponsored by ASSE, a non-

profit, public benefit organization affiliated with the Swedish and Finnish Departments of Education along with the Provincial Ministries of Education.

The students are well screened and qualified by ASSE. Families may select the youngster of their choice from extensive student applications, family photos and biographical essays. Students and families are encouraged to begin corresponding prior to the student's arrival.

ASSE is also looking for Milton students to become exchange (See Exchange Pg. MM4)
