PIERCE - In loving memory of my dear sister & daughter Lisa, who passed away 3 years ago. I did not see you close your eyes. Or hear your last faint cry. I only heard that you were gone. Too late to say goodbye. I think of you in silence. And often speak your name. But all that's left to answer is your picture in a frame. The parting was so sudden. Too often wonder why. The hardest part of all. Was the way you had to die.

PIERCE Lisa - In loving memory of a dear friend who passed away 3 years ago. There is a link death cannot sever. Love and remembrance last forever. Always remembered by Colleen and Janice.
