The Stretch Table
effortlessly firms and tones upper
arms, back and tummy muscles,
improving posture and overall
body tone.

Tummy, Hip Table
slenderizes the whole leg area and
concentrates on reducing inner
thighs and "saddle bag" outer
thighs.

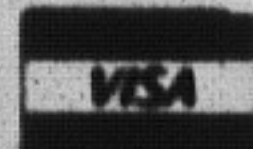

The Sandbag Table
works to strengthen stomach
muscles, firming and lifting flabby
muscles in the buttock area. The
gentle, rhythmic action of the table
is designed to break down cellulite
and give you a lighter, smoother
tone to your skin.

gently raises and lowers your legs,
helping to shed inches from your
waist, stomach and hips while
strengthening muscles in the
lower back.
