Stationary Engineer

Second Class Stationary Engineer is required (or Third Class will be considered along with relevant experience). Halton Centennial Manor located in Milton, provides residential and extended care to approximately 350 senior citizens. Reporting to the Maintenance Supervisor, your primary responsibilities will include:

- Trouble shooting and taking corrective action in a timely and professional manner in the maintenance and repair of various systems and equipment including heating, ventilation, refrigeration, electrical, mechanical and plumbing.
- Performing general maintenance duties as required.
- Reading and interpreting blueprints (mechanical, electrical, construction).
- Monitoring and recording programmable controls such as operating data on heating, chemical treatment and utility usage.
- Installing a variety of piping.
- Inspecting and servicing fire equipment and alarm systems.
- Taking corrective action in times of emergency.

You will have a Grade 12 education along with 5 years directly related experience. Shift work involved. Salary range is \$13.74 - \$14.83 per hour.

Please forward a resume postmarked no later than February 19th, 1988 to Mrs. C. Cardillo, Maintenance Department, Environmental Services, Halton Centennial Manor, 185 Ontario St., Milton, Ont. L9T 2M4.

This opportunity is available equally to men and women.
