Torch bearing bunny

The official torch bearer at J.M. Denyes School Friday morning was Eran Goodyear, 6. She wore her favourite bunny hat for the occasion when she led a parade of nations to the fairgrounds across the road from the school. Brad Moore (left) and Robyn Kettle (right) followed the young leader, as representatives of Australia. A horse-drawn sulky travelled around the fairgrounds track with the students and teachers who were celebrating the Olympics.

The family of Nancy De Vogel, formerly of Milton is pleased to announce her graduation from the University of Guelph with a bachelor of applied science degree.
