

# SHOPPERS DRUG MART FOR THE CHILDREN

The Children's Miracle Network Telethon raised over \$40 million last year for 150 Children's hospitals in North America. Children's hospitals in Canada received close to \$10 million through the generosity of corporate sponsors and individuals. You and Shoppers Drug Mart together can make miracles happen. Each time you purchase one of these products Shoppers Drug Mart will donate to the Children's hospital. On June 4-5, 1988 the Children's Miracle Network will bring you live from Disneyland, 21 hours of fun, entertainment and national celebration. It will also raise over \$10 million for children's hospitals in Canada. Including the children's hospital in your community. Every cent raised in your community through the Children's Miracle Network Telethon goes to help children in your local hospital.
