

Education week kick-off

Area schools are inviting the public to attend a ceremony in Milton Mall Tuesday, April 19 to kick off Education Week.

Grade 5 students have created more than 200 posters representing this year's theme, Dare to Dream, and each will be on display at the mall. The posters will also trace the academic development of students advancing from Kindergarten through to Grade 13.

The ceremony will begin at 11 a.m. and consist of a brief, formal program, which will outline the events planned by the schools for the week, and music will follow. Planned events will include musicals, open days and open houses at various schools.

In Friday's addition of The Champion, full schedules of the week's events will be included.

Local winners at Hamilton fair
