

Mustang soccer teams are still looking for first win

Milton District's junior boys' soccer team is still winless, but the seniors tied Perdue 1-1 Thursday.

The junior Mustangs, which have lost three games in a row (at press time), were shut out in the Oakville game 2-0.

The first half went scoreless, but Perdue slipped two balls past rookie goalkeeper Rob Crowe in the second half for the win.

Milton head coach Bert Vella said although his team is winless, it's getting better and better.

"I'm still encouraged," he added.

"We're improving. You can't let yourself get down. We're going to have to start winning to make the playoffs." Milton District's juniors played an even game against Perdue, but failed to put the ball in the net, said Vella.

In the senior circuit, head coach Fred Stevens, whose team has a winless 0-2-2 record, was pleased with his team's performance at Perdue.

"We had hoped to get a win out of it. We had control most of the

game," he said. "They played as a team."

Five minutes into the first half, senior Mustang Shawn Hasselheldt opened the scoring, but with 10 minutes to go in the second half, Perdue scored for the tie.

The junior and senior Mustangs hosted Queen Elizabeth Park Secondary School yesterday. Look for results in the Friday edition of *The Champion*.

The teams' next games are at Loyola Secondary School on Thursday.

(semi-metallic pads extra)

In a perfect world, your brakes would never be a problem. But the world's not perfect. So it pays to take preventative measures. And it pays to have your brakes looked at by a qualified Midas Brake Specialist. He'll make your brakes his priority, and fix them right the first time.

HERE'S WHAT HE'LL DO:

Perform a free, no obligation brake system inspection.

REAR DRUM

- resurface your brake drums
- install premium quality brake shoes

FRONT DISC

- resurface your brake rotors
- install premium quality disc pads
- clean and repack front wheel bearings

Midas disc brake pads and brake shoes are guaranteed for as long as you own your car.**

*The cost of additional components and labour required to restore brake system to its proper operation is not included.

**Service charge of \$9.95 per axle. Guarantee does not cover the cost of additional brake system components and labour required to restore the brake system to its proper operation. If you do not authorize this service, you will receive non-installed, non-guaranteed replacement brake shoes or disc brake pads.
