Wrestling club to open at E.C. Drury

The E.C. Drury wrestling team is known as one of the powerhouses in the province. One reason for their dominance is an elementary wrestling camp they have held for each of the past two years.

The camps have been so successful that Larry Jaroslowski, the resident wrestling genius at Drury, has decided to open a wrestling club for Milton residents. The club will be known as the Milton Dynamo Amateur Wrestling Club and is affiliated with the Ontario Amateur Wrestling Association.

The club will operate every Tuesday at the E.C. Drury Sports Complex beginning Jan. 10.

The sessions will run from January through to April from 6:30 p.m. until 8:15 p.m. There will also be optional sessions.

The club will offer instruction in Olympic Freestyle Wrestling and is

an excellent opportunity to develop strength co-ordination, and overall fitness.

Participation in the club could lead to opportunities to take part in provincial camps, and provincial and national competitions. Current members of the club are Halton, Ontario and National medalists.

The club is open to boys between the age of 11 and 19. An \$18 membership fee includes all training sessions, membership with the Ontario Amateur Wrestling Association, O.A.W.A. insurance, the bi-monthly O.A.W.A. and a club T-shirt.

The club will hold registration on Tuesdays Nov. 29, Dec. 6 and 13 from 6-8 p.m. at the E.C. Drury Sports Complex.

For further information contact Jaroslowski, the club director, at 678-0575, work, or 876-2686, home.

First novice loss

Major Novice AA

The Milton P.L. Robertson major novice AA rep team's undefeated bubble finally burst at the Don Maxwell Memorial Tournament in Stoney Creek on Saturday.

Milton played league rivals Streetsville in their opening game of the event and skated away with a convincing 5-1 win.

Mini Haydar opened the scoring after just a minute and a half with a shot from behind the Streetsville net which hit the goalie in the back and bounced into the net. Still in the first period, Jason Pento notched his first of two goals in the game assisted by Todd Warren and Mike Roy.

In the second period, Streetsville controlled the play in the early going, but Donald Perry managed some spectacular saves to keep them off the scoreboard.

Milton's advantage came on the power play, holding Streetsville scoreless on theirs, but capitalizing on their own opportunities. One of those came when Haydar found Paul Loader open at the point who blasted a shot which found its way through the goalie's legs. Thirty seconds later, Pento picked up his second on a nice combination from Warren.

In the third period, Ben Wilson put Robertson up 3-0, cashing in on a Haydar rebound.

Milton dropped a 4-2 decision to Unionville in its second game of the tournament. This was a fast-paced and exciting game, unblemished by penalties. Warren gave Milton an early lead but Unionville tied the score one minute and 30 seconds (1:30) later.

Unionville stormed out to open the second period, testing Milton goalie Robin McCall twice in the first minute but the score remained tied until 4:33 when a deflected shot from the blue line was tipped into the top corner. Unionville struck again in the final minute of the period on a gift when a pass from the corner hit a defender and trickled into the net.

Milton narrowed the gap to one goal in the third period with Haydar scoring from Adam Bertoli and Jared Robinson. That was as close as they would get as Unionville added a late insurance marker.

Milton is away next weekend for games against Brampton and Flamboro, but return home to face Stoney Creek on Nov. 27.

Major Atom AA

The Milton Legion atom AA rep team took care of Georgetown Sunday afternoon in Milton, 4-1.

Goal scorers for Milton were Jeff Haydar with two and Scott Bertoli and Todd Belford with a single each. Assists went to Justin Lynch, Doug Frehe, and Daryl Loader with two apiece and Fabio Pento with the sole.

Minor Bantam AA

A pair of wins and a loss highlighted the weekend for the Milton minor bantam AA rep team.

Their most exciting game saw a last-minute, 3-2 win over Flamboro. Flamboro took an early 1-0 lead at the three-minute mark of the first period which stood up until the third frame when Dion Comba tied the game with the assist going to Cam Allan. Flamboro took back the lead with only a short time later.

Down 2-1, and with the goalie pulled for an extra attacker, Milton tied the score with only 28 seconds to go on a goal by Bill Gillies, assisted by Mike McPhail. Jamie Janjevich got the gamewinner with only seven seconds left, with assists going to Gillies and Robert Dero.

Four different goal scorers led Milton to a 4-2 victory over Georgetown. Jim O'Driscoll, Chris Morrison, Mike Glidden and Janjevich all notched markers, with assists going to Don Smulders with three and Tom Baier.

It was a different story for Milton against Orangeville, though, as they dropped a 4-2 decision. Netting markers for the locals were Janjevich and Mark Elkins with assists going to Comba, Smulders and Allan.

Major Bantam AA

Milton's major AA bantam rep team added two important points to their league total with an entertaining 3-2, home-ice victory over Burlington.

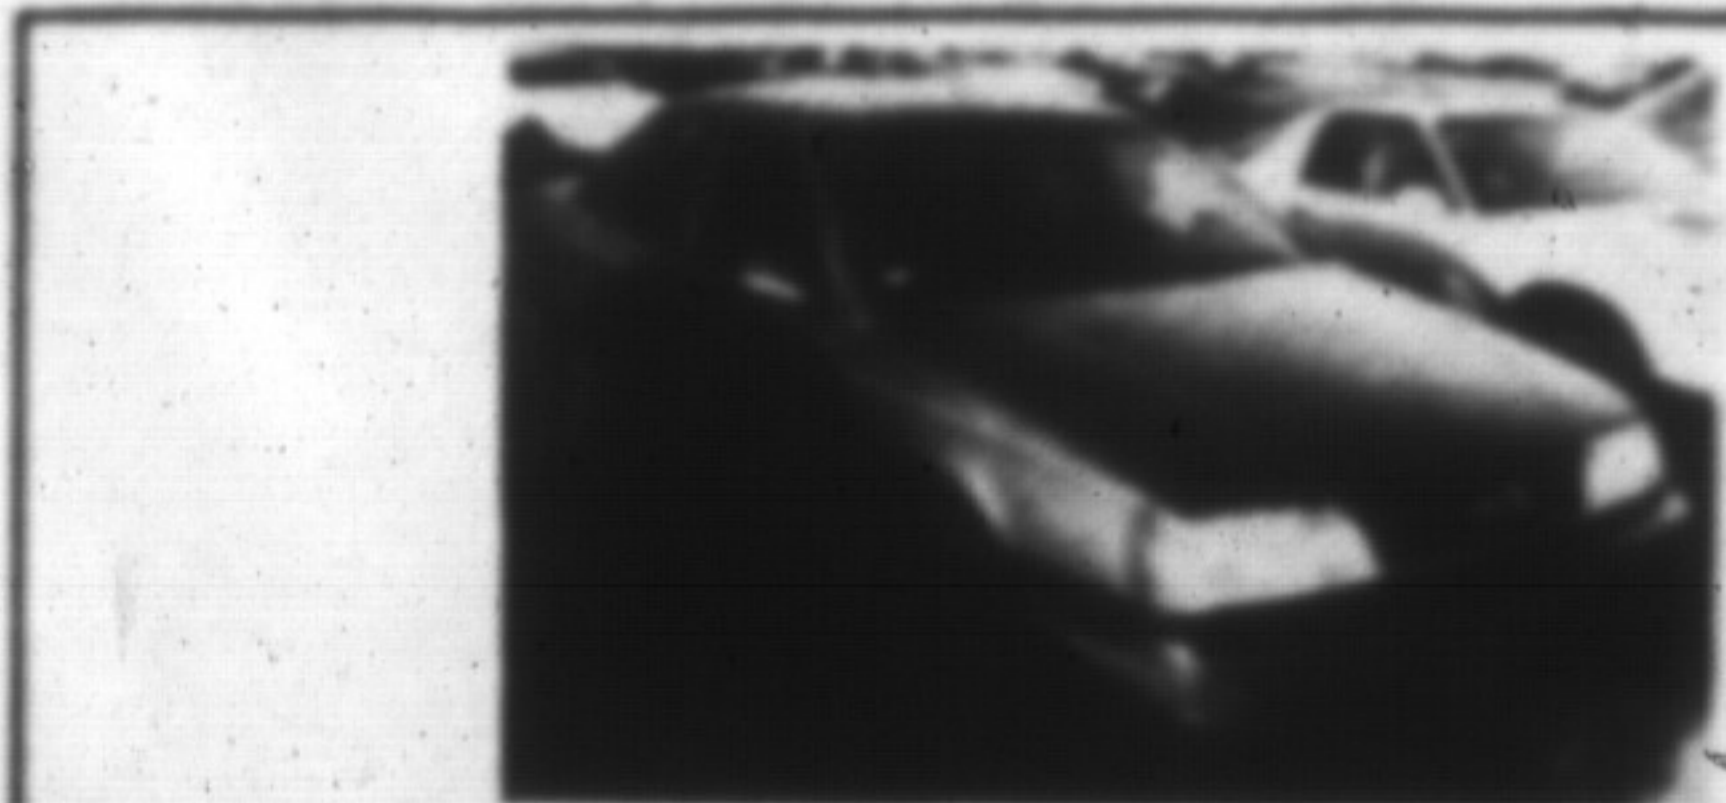

Right-winger Trevor Brandt sparked the Milton offence with a two-goal effort which included the game winner late in the final period.

After a scoreless first frame, the home squad ignited early in the se-
