

Trail Fergus 2-0

Optimists are on the brink of elimination

Atom A
The Milton Optimist atom A rep team have their backs to the wall

thanks to a pair of losses to Fergus in the second round of their best-of-five series in OHMA zone playdowns.

The series opened in Fergus with a 4-0 loss for the locals and in the return match at Milton Memorial Arena Fergus skated to a 5-3 win.

In the opener, the teams battled through a scoreless first period highlighted by excellent goaltending of Milton's Matt Hart. Hart made several clutch saves to keep Milton in the game.

Fergus got on the scoresheet early in the second period and got their second late in the middle frame as the Optimists had difficulty in clearing the puck out of their own end. Fergus wrapped things up with a pair of third period goals.

In the rematch, the Optimists came up with a strong effort but Fergus drew first blood 3:40 into the game. Milton came back on a goal by Shawn Kesik in the first minute of the second period.

Milton gave up a short-handed

goal with 2:19 left in the second period and Fergus added another early in the third to pull into a two-goal lead. Fergus played a tight checking game and held Milton to just one shot on goal in the second period.

After Fergus scored their third goal, Milton came out firing and it paid off with goals going to Brad Fougere and Kyle Arbuckle.

With the possibility of overtime looming, Fergus was quick to capitalize on a pair of errant passes to score twice in the final three minutes of the game to take a strangle hold on the series.

The Optimists now need a three-game winning streak when they resume playoff action this weekend in Fergus.
