145 General Help Wanted

Volvo GM Canada Heavy Truck Corporation

is a young, dynamic and growing organization. From our corporate headquarters in Milton, we direct the sales and aftermarket activities for WHITEGMC and VOLVO Medium and Heavy Trucks across Canada. Currently we are seeking qualified individuals to fill the following positions:

Accounts Payable Clerk

The ideal candidate should have a minimum of 3 years Accounts Payable experience. Good computer skills, tactful attitude and an eye for detail.

Administrative Assistant

A responsible and mature person with a strong secretarial administrative background is required to assist our Director, Finance & Administration. Experience in the financial and/or accounting area is preferred; excellent computer skills and organizational ability are necessities.

Computer Operator

An individual with a solid background and experience in the operation of computer systems in a teleprocessing and batch environment is sought. The successful candidate will be responsible for the timely execution of all daily production routines for "in house" systems as well as those transmitted to/from the Central Data Centre, with minimal supervision.

Expeditor

Our Parts department is seeking an expeditor with at least 1-2 years experience in automotive, truck or related parts business. Position mandate is to contact vendors by mail, telephone or visits to ensure delivery of parts orders on original or revised delivery dates. Bilingualism is an asset.

Customer Service - Interpretation

This Parts department position provides technical information needed to respond to an inquiry from customer accounts and to assist the aftermarket organization by providing vehicle technical data. Candidates must have a mechanical or technical knowledge of truck functions/components, capable of working with microfiche and EDP equipment. A minimum of 3 years experience as a truck mechanic or truck parts interpreter and one of the following: college degree or training at a trade/technical school, or equivalent experience in the industry. Bilingual English/French preferred.

Product Planning Specialist

An individual with extensive vehicle and transport knowledge of heavy duty trucks and components, experienced with computer programs and calculation methods for the industry, would be ideal in this position. Must have engineering degree or equivalent in experience. Position, reporting to Director, Marketing Support, uses technical expertise to represent Canadian market requirements in product planning, and is responsible for all associated research and evaluation.

Traffic Clerk

The Traffic Clerk position, in our Parts department, audits all freight bills and keeps a monthly log in a P.C. Incumbent prepares freight invoices for authorization, separates, files, and types all related waybills. A minimum Grade 12 education; knowledge of filing procedures; P.C. and typing skills; plus 1 to 2 years clerical experience is required.

Volvo GM Canada Heavy Truck Corporation

offers a competitive salary and an excellent benefits package. Preference will be given to candidates with a background in the trucking industry, possessing strong communication and inter-personal skills. If you are a self starter who likes working in a fast paced environment, please submit your resume in complete confidence to:

Manager, Human Resources
 P.O. Box 1011
 Milton, Ontario
