

IT'S OUR ANNIVERSARY!

To celebrate the start of our 5th year serving your travel needs, we announce the establishment of a separate corporate travel office.

This further substantiates our commitment to the business traveller, while continuing our regular quality to the vacation and regular travel needs.

Our Sales Agents are continually updating their knowledge. Mary has just returned from Bangkok and Pattaya in Thailand and Hong Kong and Connie has visited Beijing, Xi An and Shanghai in China recently.

SURROUND YOURSELF WITH THE TRAVEL PROFESSIONALS WHO MAKE A WORLD OF DIFFERENCE!

Business travel is our business!

Our Travel Office was originally established in downtown Milton in 1961 by Bill and Ellen Casson. On March 1, 1985, after my retirement from a 21-year refereeing career in the National Hockey League, I had the privilege of purchasing it. Thanks to you using our services, we have continued to update and expand for the past four years.

Come See Us! We are the Way to Go.
