

Championship day goes Saturday at Memorial

The Milton Minor Hockey Association's annual Championship Day is just around the corner once again and organizers of this year's event are still looking for all the help they can get.

Joe McCann is heading up the tourney which will see the finals of all house-league divisions as well as all the kids playing minor hockey, both rep and house league, be honoured during on-ice ceremonies.

The day kicks off at 8 a.m. with

the minor peewee game. From 9:30 a.m., all the players in the peewee division will get their presentation while the major peewee final goes from 9:30-10:30 a.m.

The minor novice game starts at 10:30 a.m. and the minor novice and novice awards are from 11:30 a.m. to noon. The novice final starts at noon and the pre-novice final is at 1 p.m. The pre-novice and beginners presentations are scheduled for 2-2:30 p.m.

The bantam final will be played at 2:30 p.m. with the bantam division awards going from 4:15-4:45 p.m.

The minor atom game will follow until 6 p.m. with the divisional

awards scheduled for 6-6:30 p.m. The atom final will follow the presentations.

The senior awards will start at 7:30 p.m. and run for half-an-hour while the final game of the day, the

senior final, will go from 8-9 p.m.

If anyone is interested in helping out, especially with time-keeping, show up at Memorial Arena and McCann promises he will see they get something to do.
