5—The Canadian Champion, Wednesday, May 31, 1989

A Hamilton man has been charged with impaired driving after a pick-up truck travelling north on Ontario St. drove into a ditch and hit a large tree Monday afternoon.

The truck was demolished in the incident which occurred south of Parkway Dr. at about 4 p.m., but the 27-year-old driver only received minor injuries. He was treated at Milton District Hospital.

Halton Regional Police say the truck left the road and travelled about 500 metres before hitting the tree which received severe damage. No passengers were in the truck and no one else were injured.
