

More local commuters are on the GO

More Milton residents are taking the GO train, according to ridership reports from GO Transit.

Passenger counts from the Milton line show increases of 29.3 per cent over the last two months, said GO chairman Lou Parsons.

Much of the growth, added Mr. Parsons, is due to GO's recent service improvements such as the extension of Lakeshore train service in Whitby, the new Appleby station in Burlington and extra service on the Milton, Georgetown and Stouffville corridors.

Chief Scout awards given

Five local Scouts received the Chief Scout's Award in Oakville Sunday.

Douglas Woods, Chris Jones, Brandon Bousfield, Glen McBryde and Craig Salla were presented certificates by Rev. Canon Hesketh at St. Paul's United Church.

The Chief Scout's Award can be earned by any Scout, who, in the judgement of his fellow Scouts and his Scouters, exemplifies the principles of Scouting through his leadership, community voluntary service and outdoor skills.
