### Single-handed sculptures

When Dinty the Clown wasn't riding his unicycle, he was performing magic or sculpting balloon animals for the kids. He was one of the attractions Friday night when the Downtown Business Improvement Area held its Moonlight Magic event. The downtown was transformed into a pedestrian mall for the evening.

## Refurbished Rotary Park pool will keep you cool this summer

The Rotary Park pool which has been in operation since 1963 is getting a facelift this year before it opens for business on Saturday, June 24th.

Regulars and new users will be delighted with the colour sealed (green) asphalt deck. No more burning hot, black asphalt. The pool, wading pool and building - inside and out - have been given a fresh coat of paint. Brown quarry tiles, now cover the cement floors of the change-rooms and new washroom cubicles and toilets have been installed.

Last year's sizzling summer heat broke all attendance records with close to 10,000 people enjoying a dip in the pool. At any one time, the 100' X 60' pool can hold 300 people. The highly qualified and extensively trained lifeguards are ready for another busy summer.

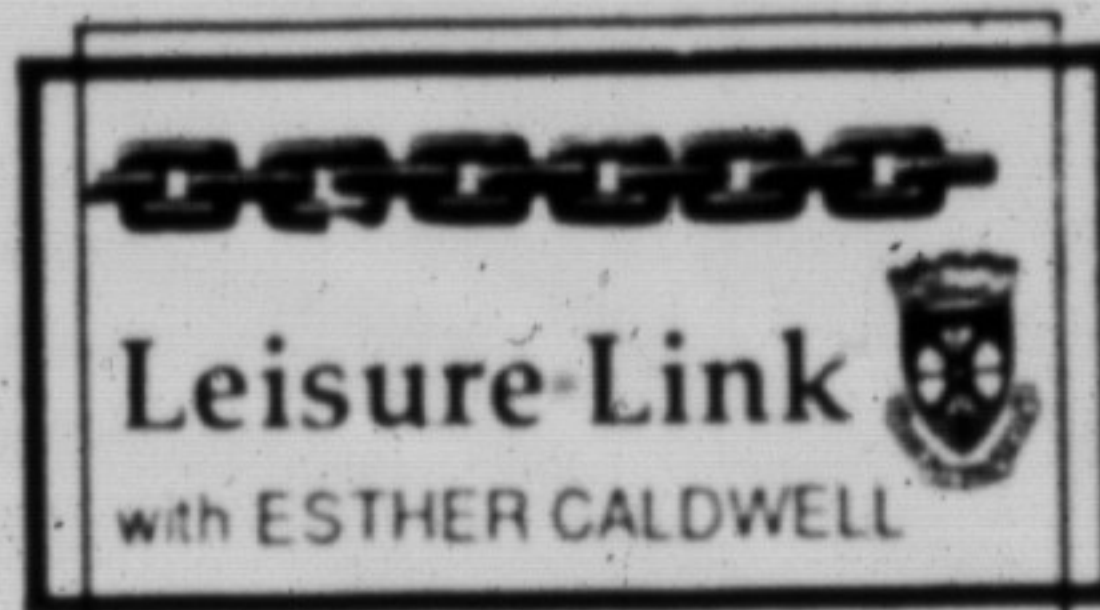

The pool is open daily to the public in the afternoon and evenings with family swimming times on weekends. Toddlers can splash in the wading pool at no charge. Adults may also want to take advantage of the weekday noon-hour swim.

Students and adults pay \$1.50, children (12 years and under) pay \$1 while the family rate is \$4. Summer passes of \$20 for adults and students and \$18 for children may be purchased at the Leisure Services Department.

Contact Leisure Services at 878-7211, extension 184 for pool times or refer to your copy of the '1989 Summer Recreation Guide'.

For those of you who would like to see lifeguards in action, you can go to Canada's Wild Water Kingdom in Brampton August 17-19 and watch more than 50 teams compete in the annual Ontario Lifeguard Championships.

Paul Stover, the supervisor of

facilities for Milton's Leisure Services Department, is the competition chairman for this year's event. Paul can provide you with additional information (878-7211, extension 182).

### Canada Day hurray!

The people of Milton are putting on a terrific Canada Day celebration.

From kick-off time at noon in Rotary Park, there will be non-stop entertainment and amusements. Although copies of the schedule of events will be available as you enter Rotary Park on that Saturday, here's a preview of what's in store.

At poolside, you can cool off with a free swim and dive for pennies too. Toddlers can sudse around in the wading pool thanks to Mr. Bubble.

The Milton Public Library will be setting up an art corner for the kids and Dr. Bookenstein will be telling stories about dinosaurs and dragons for all the family to enjoy. Beta Sigma Phi is looking after a fish pond for young anglers. And back by popular demand is the petting zoo organized by the Halton Junior Farmers.

Kelly Stewart, the 1988 Milton Fair Queen, along with Fair Board members, will be on hand to tell you about Milton's Fall Fair. The Milton Chamber of Commerce will have information on its role in the community.

The Local Architectural Conservation Advisory Committee (LACAC) has planned a heritage hunt and the Milton Historical Society will be offering guided, historical, walking tours throughout the afternoon.

The Good Brothers from Toronto will be entertaining in the evening with their blend of country, bluegrass and rock music. Their relaxed rapport with the audience creates a

'good time feeling' that generates enthusiasm and audience participation.

During the day, the Rotary Club will be feeding the starving throngs and quenching their thirst with a barbecue and beer garden. The Jaycees will be selling pop and popcorn at the Mill Pond before and during the fabulous fireworks.

This is not an event to miss!

### Seniors this summer

Just a reminder that there will be a free summer dance tomorrow (June 22) at the Senior Citizens' Recreation Centre from 4 - 7:30 p.m. The Senior Citizens' Orchestra will be providing the musical entertainment.

Friday, June 30 from 12:30 until 3:30 p.m., seniors can attend the strawberry social dance euchre at the centre. For \$1.50, they can play euchre as well as enjoy strawberry shortcake and other refreshments.

The SCRC will be closed during the month of July, reopening on Monday, July 31. Drop-in programs will run through August with pre-registration programs resuming in September.

Trips for seniors will continue throughout the summer. Lake Erie Islands from July 12-14, Mystery Tour on July 16, Harbourfront (including a two-hour cruise) on Aug. 2, the Blyth Festival on Aug. 31, and Nashville, Tenn. (and the Grand Ole Opry) from Sept. 14-18. All tours must be booked in advance. Contact Marion Young (876-1502) for more information.

### Concerts in the park

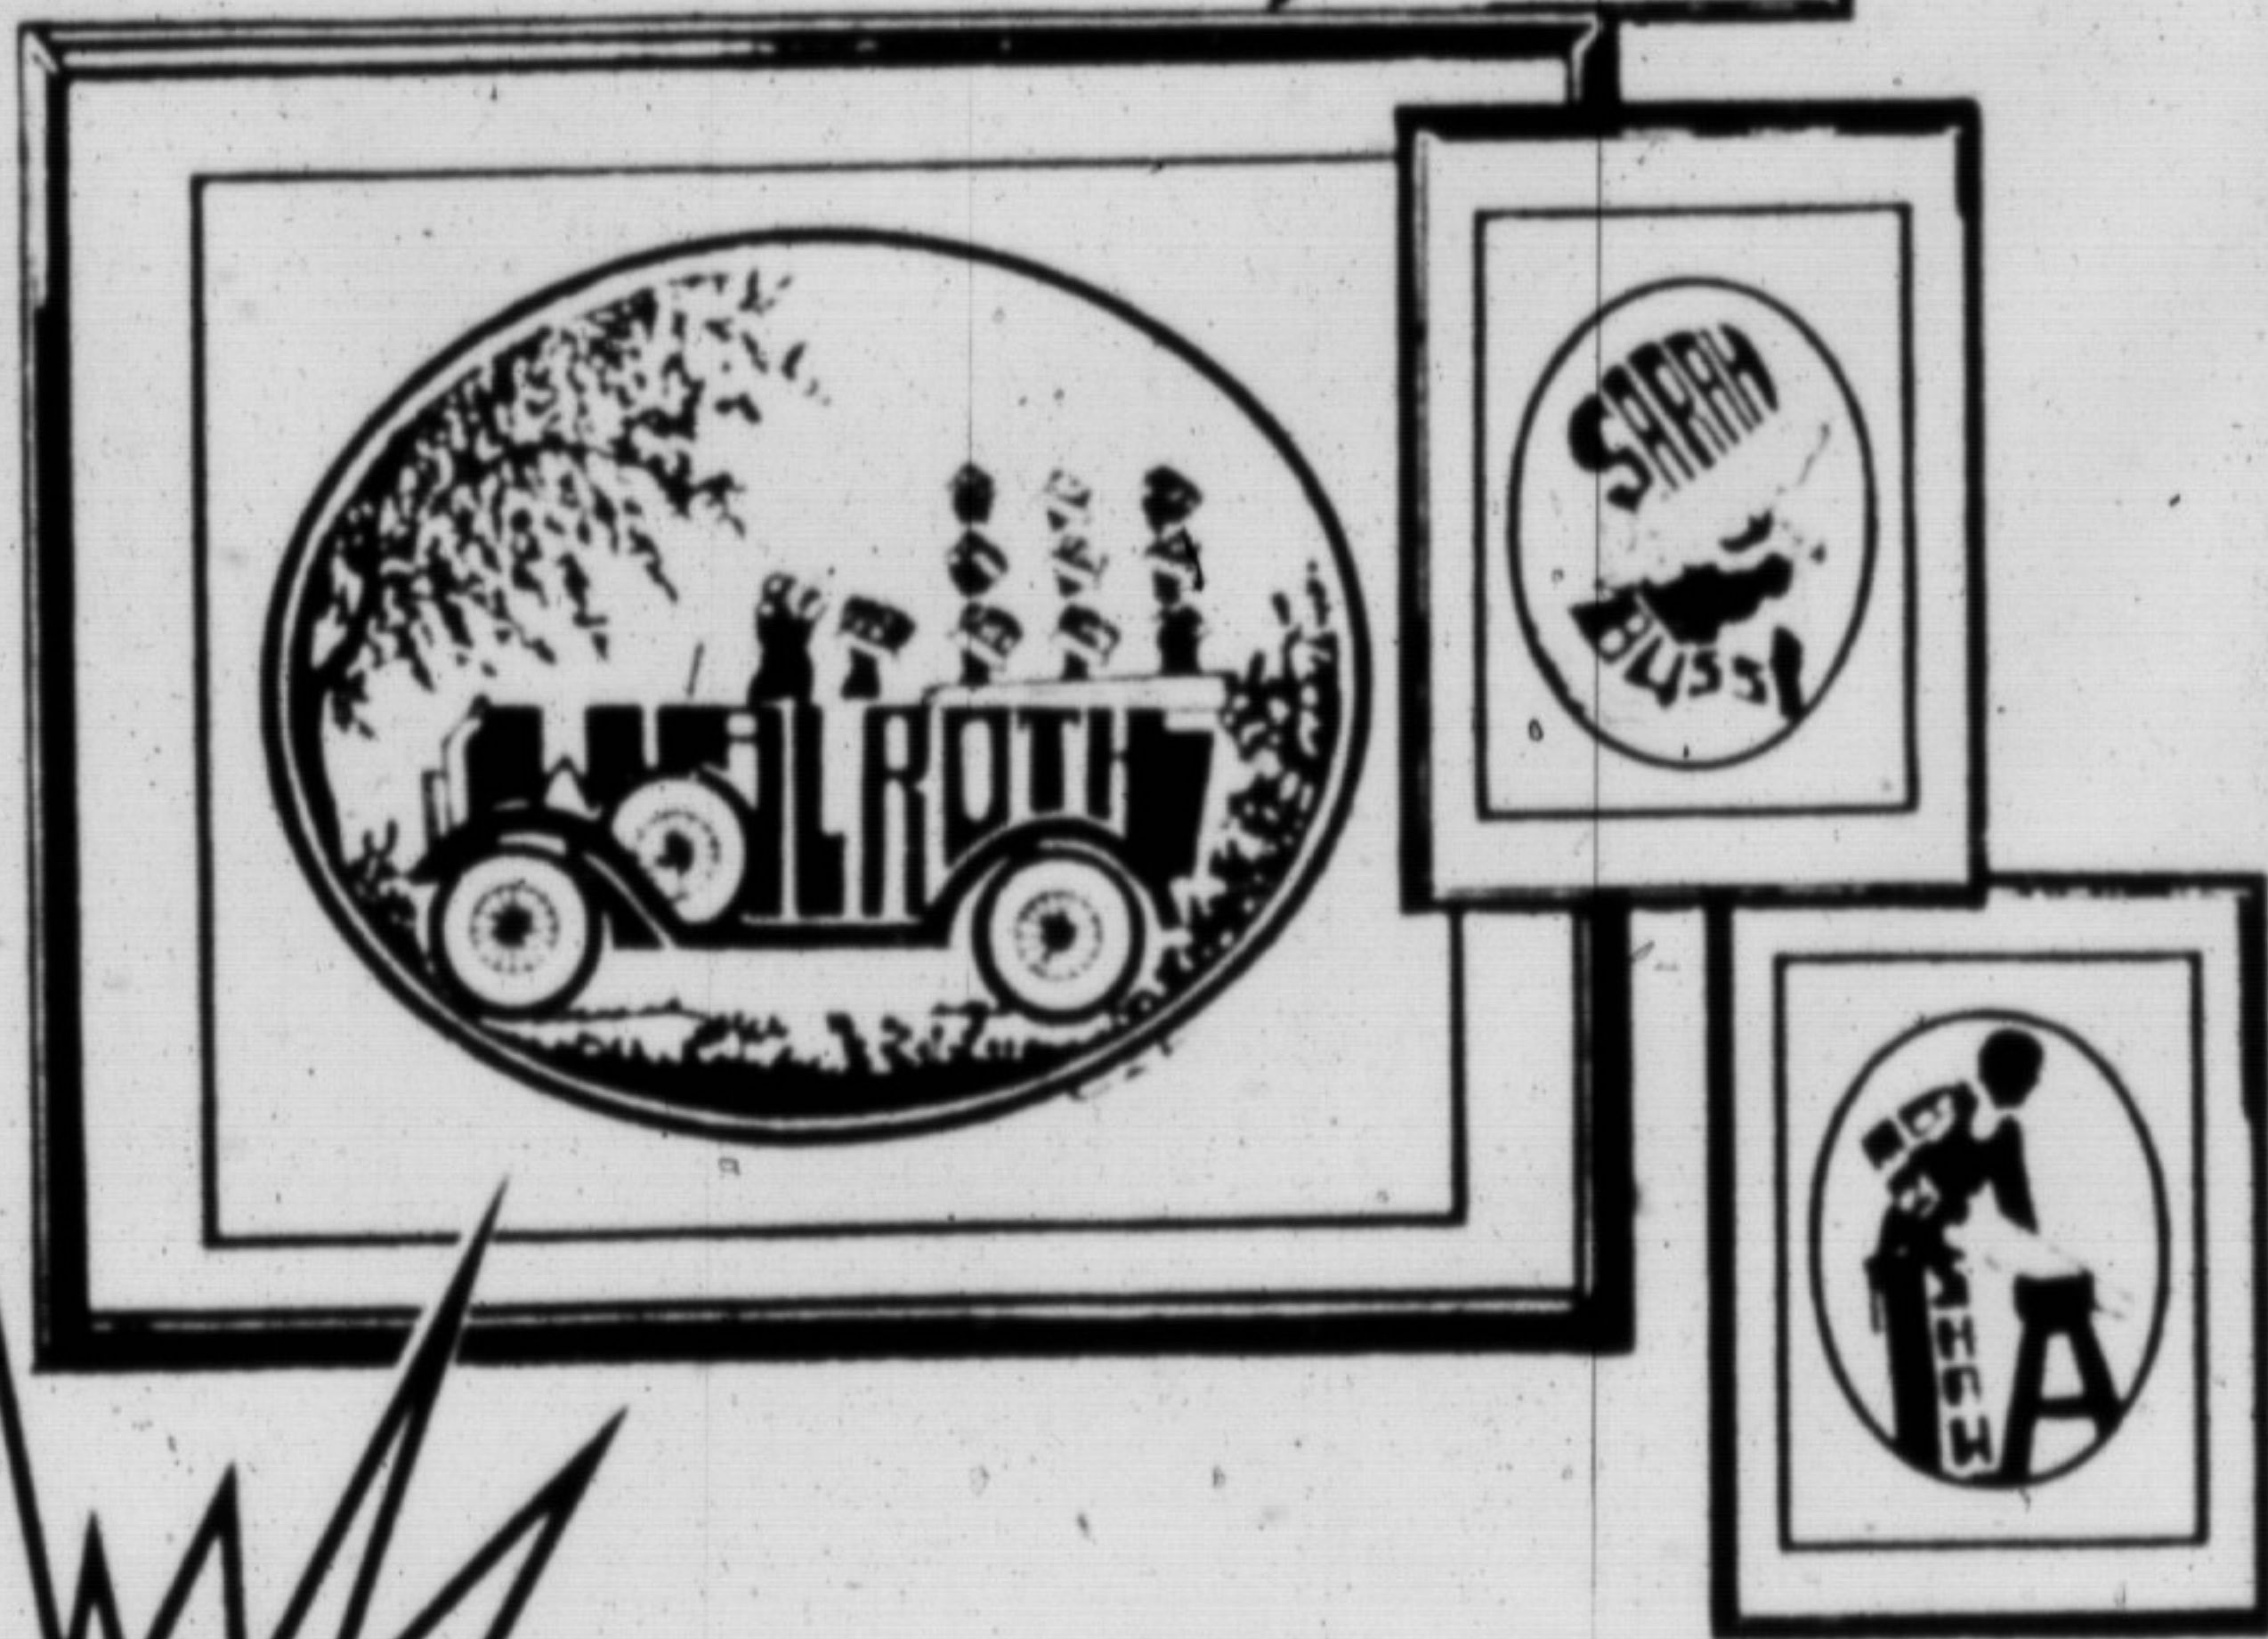

Milton Arts Productions and the Leisure Services Dept. are once again sponsoring free Sunday afternoon concerts.

Coming up on July 16 is the Burlington Teen Tour Band and on Aug. 20, the Milton Senior Citizens' Orchestra and the Milton and District Pipe and Drum Band will perform.

The concerts begin in Victoria Park at 2 p.m. and last approximately two hours. Don't forget to bring your lawn chairs. Rain location is Hugh Foster Hall.
