Horoscope

Forecast Period: Oct. 1 - Oct. 7, 1989.

ARIES (March 21 - April 19): Working with disadvantaged people, or those who have emotional problems, gives purpose to your life. The need is great.

TAURUS (April 20 - May 20): The time to learn is now. Be grateful for the opportunity. We never reach the point where we know it all.

GEMINI (May 21 - June 20): There may be misunderstandings where joint resources are involved. Follow strict business practices, rather than friendly casualness.

CANCER (June 21 - July 22): Partnerships formed at this time will not work out the way you plan. Good communication should clarify vital points.

LEO (July 23 - Aug. 22): Work with a spirit of service to others, and don't worry about what you will get out of it. It will be plenty.

VIRGO (Aug. 23 - Sept. 22): Relate to people as equals, difficult though it may be. Idealizing another is futile.

LIBRA (Sept. 23 - Oct. 22): Tremendous changes are taking place at an inner level. The peace and sanctity may appear to be threatened.

SCORPIO (Oct. 23 - Nov. 21): Be very careful how you communicate with others. Make yourself clear and be sure the other person grasps your meaning.

SAGITTARIUS (Nov. 22 - Dec. 21): Try not to become too attached to the fragile trappings that make up your world. They can be dissolved at a moment's notice.

CAPRICORN (Dec. 22 - Jan. 19): Be wary of getting caught up in word schemes and projects that others propose. Your compassion for others is stimulated.

AQUARIUS (Jan. 20 - Feb. 18): It is never too late to make changes that will bring purpose and meaning to your life. Look for fulfillment.

PISCES (Feb. 19 - March 20): Be selective in your choice of friends. Try to see people as they are, not as you'd like them to be.
