## Be part of something great this winter.

Boy's and Girl's be a part of something FAMILY ENJOYMENT great - play youth basketball with the Milton YBC this winter

A GREAT WAY TO PLAY

Mark on your calendar. Nov. 6 is the first day of the YMCA baskefball season for boys and girls 8-13. It promised to be one of healthy fun and good sport. This opportunity allows kid's to meet new friends and enjoy basketball. It's a friendly league where enthusiasm and spirit matter more than size or athletic ability, and more important than simply winning. YBC coaches - often Moms and Dads - work together with all members of the team, making sure everyone plays in the game. They never lose sight that having a good time participating come first

But they also recognize the value of friendly competition and playing hard. They help players discover the fun and satisfaction of improving skills and giving every game their best

Call the YMCA office or complete the attached registration form and mail it
