Leigh and McDonald pace Sockets to sweep three games

Milton's P.L. Robertson major novice AA reps played three games — and won them all — last week.

Kris McDonald led the team with two goals and two assists in their 5-0 win over Orangeville. Jamie Sweetland chipped in with a goal and two assists, Adam McIssac collected two assists, Jonathon Glover popped a goal and managed an assist, Cory Leigh had a goal, Jeff Mitchell had two assists and Jeff Chaisson also had an assist. Goaltender Mike Johnston recorded the shutout.

Milton also managed to eke out a win over Dundas 6-5. A pair of hat tricks by Kris McDonald and Cory Leigh led the way for Milton. Assists went to Mitchell with three; and Scott Neal, Cory Broussard, Chaisson and Sweetland each with one.

Wayne Ervin held his ground in the Milton net keeping the Dundas dogs at bay with a number of fine saves.

Milton completed a perfect week when they smashed Oakville 3-0.

Wayne Ervin continued his fine play by recording the shutout. Kris McDonald popped home two goals — his sixth and seventh of the week — and Cory Leigh managed the other. Leigh had five goals for the week. Assists went to Jason Enair and Eric Craig. A strong effort was shown by Glover and Broussard to keep the play in Oakville's end.

Minor Pee wee AA

The Milton Honda minor pee wee AA reps couldn't gain much ground with a 1-1-1 record in their three games last week.

They opened the week with a 1-1 tie against Oakville. The teams played a scoreless first period before Milton scored early in the second. Oakville scored in the final minute of the game to earn the tie.

The second game of the week against Chinguacousy resulted in a 6-0 win for Milton. Milton controlled the game throughout and goaltender Jeff Merk recorded the shutout with a fine effort. Jeff Hayden, Justin Lynch, Kyle Arbuckle, Doug Freits and Daryl Loader all managed to collect goals in the balanced Milton attack.

The third game of the week against Flamboro ended with a 5-4 loss for Milton. Flamboro jumped to a 2-0 lead in the first period. They added to their lead with a goal in the second before Milton, with a flurry in the last five minutes of the period, scored to bring the score to 3-1.

Milton put on a charge in the third

Indoor soccer

Webs down Optis in close game

The Milton Optimist Indoor Soccer League sported a number of interesting matches last week, their third week of play.

Two oldtimer teams, Webs United and the Optimist Centre opened the week with a tightly contested 2-1 Web win.

Halton Outdoors Shop climbed all over Milton Honda with a 3-1 win thanks to a thunderbolt shot from Paul Reed who delivered the winner.

League hotshots Oakville were held to a scoreless draw with moments remaining when Colin Johnson fired in the winner for Oakville with the last kick of the game.

The Dickens started getting it together in a 6-0 bonanza against Fearmans with five different players scoring.

In the most exciting game of the day, Acton Villa beat the Milton Youth Soccer Coaches 5-3 although the game proved closer than the score. Acton started putting together a series of goals from Paul Nolan, Steve Smith, and Dave Hamer when the Coaches pulled back with goals from Bernd Schrader and a pair from John Rictman.

The Coaches played some spectacular soccer but failed to pick up the Acton forwards allowing them to score an additional two goals from David Banks and Anthony Saxon despite the Coaches carrying the run of the play.

Rep Hockey

period but couldn't catch the tough Flamboro squad.

Minor Atom AA

The Docs and Dents are not a superstitious hockey team but with their only loss of the season being their 13th home game played on Nov. 13, the coincidence is a little eerie.

After dropping a 3-1 decision to Streetsville, Medics regrouped last weekend to prescribe Georgetown a 9-3 drubbing.

In Streetsville, playing their fourth game in four nights, Medics struggled from the opening face-off against the hard-skating opposition.

Streetsville had the advantage in play but it took them a full period and a half to score a goal. Milton came right back but the apparent tying goal was waived off by the referee.

Adam Bertoli, assisted by Haydar and Roy, finally connected with eight minutes to play in the third. Four minutes later, Medics were caught on a line change when Streetsville broke the tie and scored the eventual winner. Two minutes later they managed an insurance marker.

On Saturday at home, the team again had a sluggish first period with no scoring until Bertoli, assisted by Seeds, scored with 1:32 remaining. Georgetown came back with two quick goals to take a 2-1 lead into the second period.

Matthew Peers wasted no time in tying it up on an unassisted effort 11 seconds after the faceoff. Bertoli popped his second and gave Milton the lead to stay, though he managed a hat trick in the 9-3 final. Peers, with two, and Darren Haydar, Seeds and Luke Redditt also managed goals in the win.

The team now stands at 13-1 with 89 goals for and only 26 against. This week the Docs and Dents travel to Cambridge to compete in the Silver Stick Tournament regional play-downs.

Major Novice A

Milton Minute Muffler took it on the chin three times last week including a 3-2 exhibition loss to Bolton on Saturday morning in Milton.

The game was rough and Bolton took a 2-0 lead with a pair of quick

goals in the middle of the first period. Milton rebounded to knot the score on two power-play goals by Jason Ford and Greg Moore. Milton couldn't hold on and Boston slid a goal past B.J. Forsyth to win.

The exhibition game may have been costly to the Mufflers. They played a game that same evening in Ancaster and were roundly trounced 8-0. Ancaster managed a quick goal and then staved off the Milton juggernaut until they converted a quick pass into a breakaway and a 2-0 lead.

Milton came out strong in the second period but another fine pass gave Ancaster another breakaway and a goal. Then Milton lost its collective legs and began allowing numerous two-on-ones and three-on-ones. Only the fine play of Forsyth in the Milton goal kept it from being a rout in the second.

In the third period, Ancaster caught fire and took advantage of the tired Milton corps. They collected five goals to complete the rout.

Prior to the Saturday contests, Milton had lost a heartbreaker 2-1 to Hillsburgh on Monday.

The teams were evenly matched with steady play on both sides. Facing a 2-0 Hillsburgh lead, Ford scored for Milton early in the third with assists from Kris Kovacs and Joey Lake.

The momentum changed but Milton couldn't convert it into the tying marker.

Minor Atom A

In Acton, Milton's Freightfasters skated to a 2-2 draw in recent action. Milton's goals in this close-checking game went to Chris Chliszczyk and Robbie Herbert with assists to David Slessor, Brad Heipel and Chris Noronha.

At home against Erin, Freightfast went down 5-1. Milton's lone marker was scored by Brad Woods with an assist going to Candice Coelan.

Pee wee Major A

The Milton Athletics split a pair of games last week when they pased Hillsburgh 5-0 on Friday and then lost 4-1 to Burlington the next day.

Cory Tiede scored twice in the win with singles going to Mike Penson, Scott Guthrie and Kevin Goodearle. Chris Glover recorded the shutout.

The next day only Vince Montagner counted for Milton in the face of four different scorers in a balanced Burlington attack. Milton goalie Mike Bell was victimized by the Burlington sharpshooters.
