**KELSO TRAVEL
RETAINS GROUP
TOURS SPECIALIST**

Barbara Bell, Manager of Kelso Travel, Milton is pleased to announce they have retained the services of June Beoney as Groups Consultant/Tour Co-ordinator. June will be working with the agency in developing quality escorted tours. They are currently working on an exclusive Britain & Ireland Program for May 1990 which June will be escorting.

Although June resides in Georgetown, her parents, Ruth and Stan Allen, are long-time residents of Milton and well-known to the area.

It has been June's experience that people prefer a fully-escorted tour for many reasons...accommodation and baggage handling are all taken care of for you; travelling is so comfortable in high-deck coaches outfitted with toilet facilities and refreshment centres; knowledgeable local guides make it all come alive and point out things that probably would be missed if you were travelling on your own; you know before you leave home what the tour is costing as most everything is included in the price; and people enjoy the camaraderie that develops within the group, making it a great way for couples and singles to travel.

If you have a group wishing to have a custom-designed itinerary, Barbara and June will be pleased to sit down and work one out for you. June has made arrangements for many organizations, including war veterans, farmers, literary, horticultural, church and student groups. She is looking forward to working with Kelso Travel in developing group tours in the North Halton area.
