

Oakville and Acton Villa win to set up big match

The Milton Optimist Indoor Soccer League was marred by incidents in the first and last scheduled games of the day.

Milton Honda failed to show against league-leaders Acton Villa giving the top team an easy two

points. The final game of the afternoon was abandoned at half time due to a ruckus between Halton Outdoors Shop and Fearmans. The latter team was clinging to a 3-2 lead.

In other games, Milton Optimist

Club came out strongly against The Dickens but the very tired team only just managed to hold on for a 2-2 tie for their first point of the season.

Goaltender John Dwyer has now fully made the difficult transition from outdoor to indoor soccer. Optimists got a pair of goals from Dave Hallett with two penalty goals and The Dickens got their markers from Rick Soder and Robert Lendvay.

Oakville hammered Webs United 5-0 although Webs, who were out of substitutes, made it an exciting exchange but were unable to put the ball in the net. Scorers for Oakville were John Moynihan, Simon Kay, Eddie McLaughlin and brother Anthony who had a pair.

Hi-5 Hair Design came out flying against Milton Youth Coaches but the partisan crowd of Coaches supporters spurred the team on to a comeback 3-2 victory.

The Coaches, who learned from their previous mistake, should have won by more save for the excellent goaltending of Tony Brynkus.

Danilo Kozulic and James Kats scored for Hi-5 while John Reitman and Bernd Schrader, with two, counted for the Coaches.

Next week the Coaches take on Halton Outdoors, Milton Honda faces Hi-5 Hair Design, Fearmans attacks Optimist Club, Webs United takes on The Dickens and in a battle of undefeated teams, Oakville is up against Acton Villa.

Sherratt volleyball teams win Halton championships

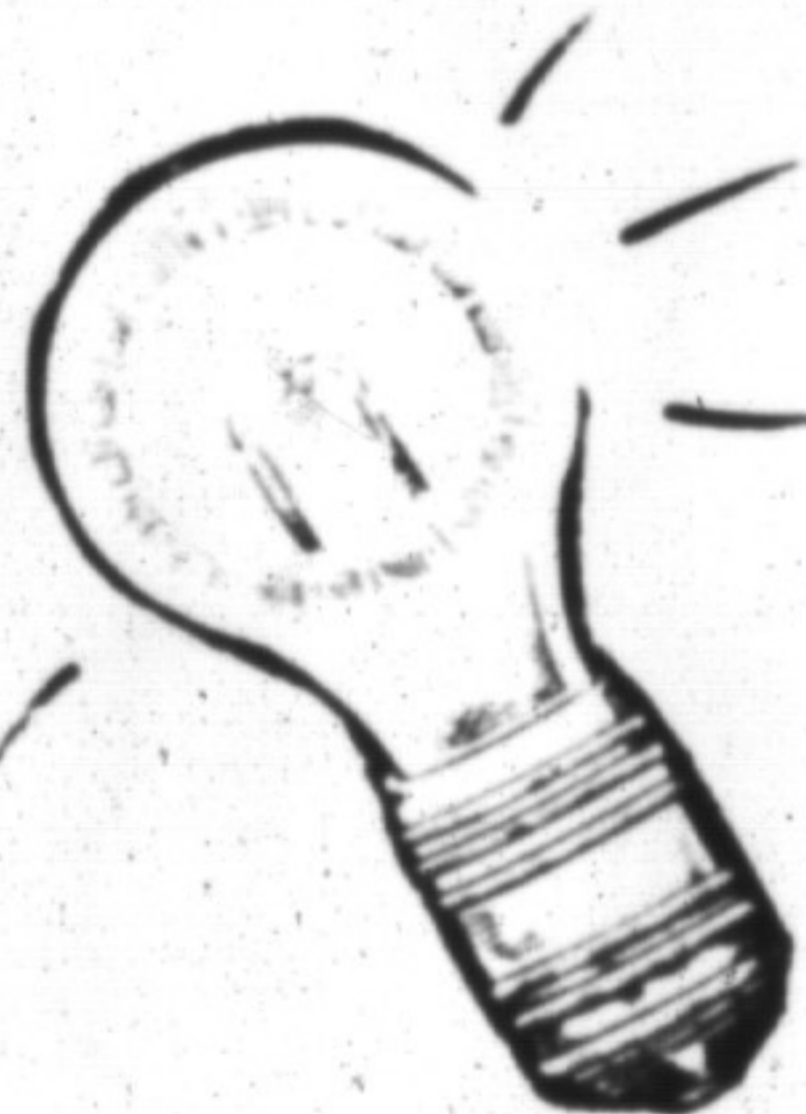

The Sam Sherratt boys and girls volleyball teams capped a busy season with big playoff wins at the All-Halton Volleyball Championships on Friday Dec. 1 at E.C. Drury High School.

Both Sherratt teams went through the round-robin play undefeated. In the championship matches, Sherratt's girls faced Tecumseh from Burlington and the boys were pitted against E.J. James from Oakville.

The girls won the first game with a tight 17-16 score. They lost the second game 15-9 but captured the third 15-0 with some brilliant play at the net and in the backcourt and a few spectacular blocks.

The boys final was loaded with excitement. Sherratt lost the opener 15-12, won the second game 15-5 and showing their determination hung on to win the deciding game of the match 15-12.

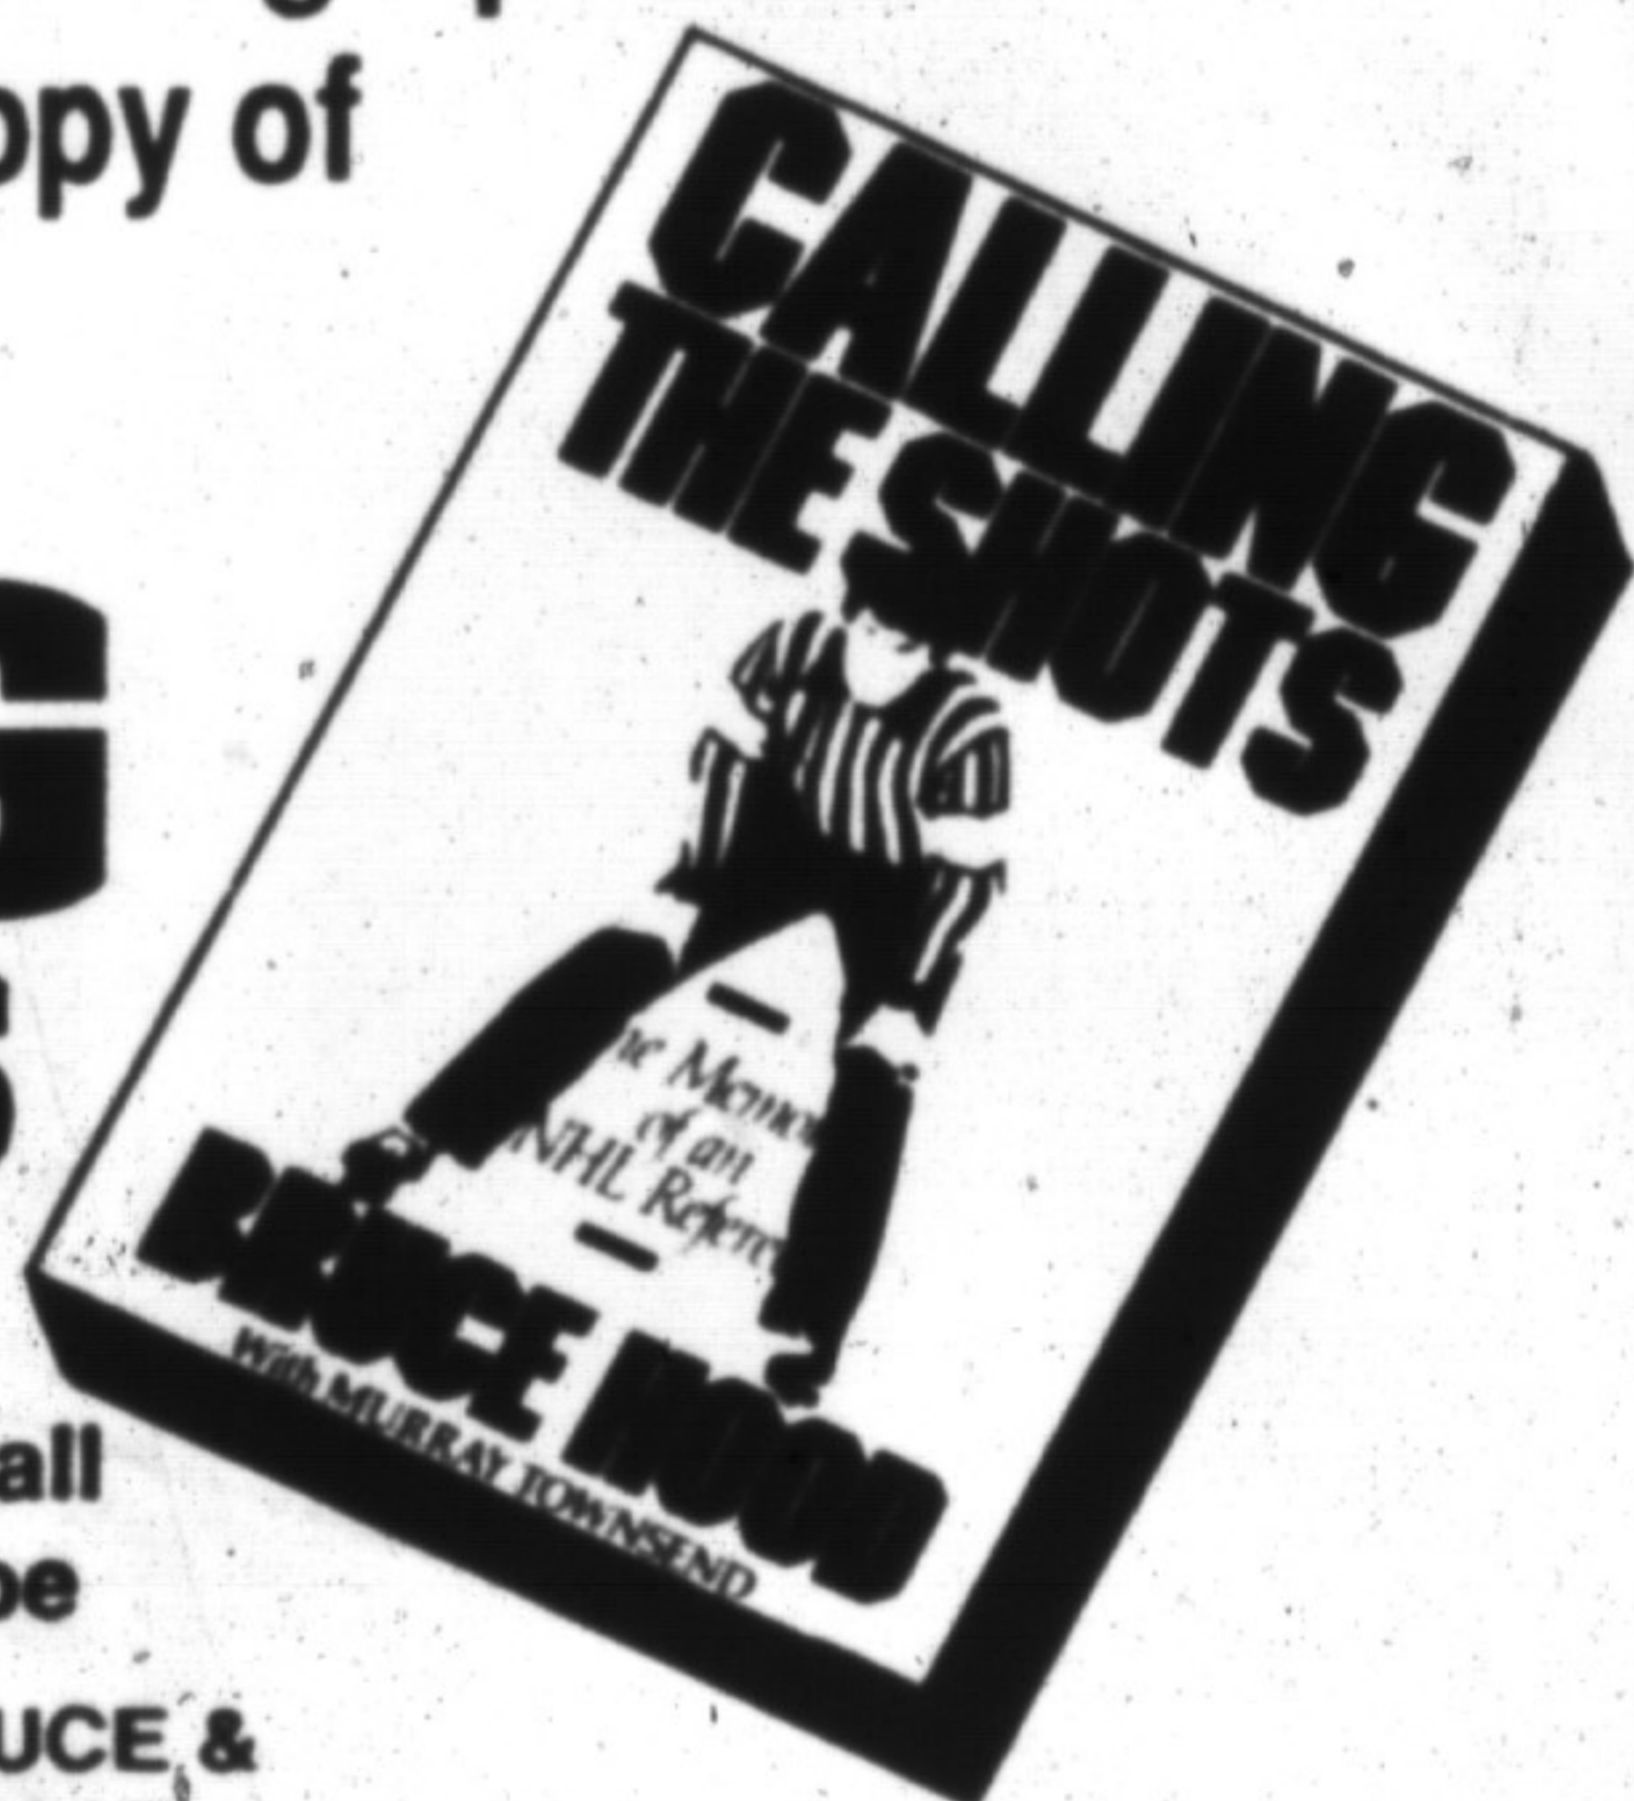

The Tier One championships were both won by the teams from Centennial School in Georgetown.
