A victorious event

A Victorian Christmas Tea and Fair at Halton Region Museum reflected the seasonal traditions spawned during Queen Victoria's reign. The popular event was held at the museum last weekend.

November campaign

Residents dig deep into their pockets to donate \$3,600 for diabetes research

Miltonians donated a total \$3,600 to the Canadian Diabetes Association during the organization's November fundraising drive.

The sum fell short of the local goal of \$4,000 and is \$100 under the amount raised last year. Despite the figures, organizers say they are pleased with the campaign overall. The group's Oakville district branch which includes

Milton, raised about \$30,000 in Halton.

The money will be used for diabetes research and programs to help victims deal with the disease.

As well as high hopes to find a cure for diabetes, the Oakville chapter has a new office located at 341 Kerr St., Suite 201, in Oakville.

*These offers may not be combined. Retail buyers financing a vehicle at a rate of 6.9% are eligible for \$750 financing over a maximum 24 month term. Finance financing rates longer terms available. The approved credit type of financing is available where you purchase or lease a new 1989 or 1990 Ford or Mercury. Delivery must be taken from dealer inventory. Example: \$10,000 financed over 24 months at 6.9% A.P.R. (the monthly payment is \$442.27). The cost of borrowing is \$134.88. Assuming a rebate of \$750 as the alternative, should you choose a reduced financing rate covering the cash rebate, legislation requires that the amount of the rebate must be included in the cost of borrowing in order to arrive at an effective interest rate. In the example given, the effective interest rate would be 13.66% and the total cost of borrowing, including the rebate not taken, would be \$1,864.98. Cost of borrowing will vary depending upon the amount financed and term of loan and financing rate. Financing rates may vary according to dealer participation. See dealer for details. **\$750 cash back and A.P.R. offers end December 31, 1989. You may apply this cash or apply it to your transaction. Cash back offer on 1989 models includes dealer participation. See dealer for details. †1989 4-door Tempo L with package 7001 and 1990 4-door Tempo L with package 7001. Plus tax, \$142 freight and license dealer may sell for less. May not be immediately available at all dealers. See dealer for details. ‡Based on MSRP. MSRP is MSRP.
