## At Acton Legion

### Christmas party for disabled persons slated for Dec. 20

The Recreation Committee for Special Needs has organized a Christmas party for disabled adults.

The events will take place Wednesday, Dec. 20 from 12:30 to 4 p.m. at the Acton Legion.

All those attending are asked to bring along a wrapped gift (value of \$3) and Santa Claus will distribute them to those people present.

There will be games, the singing of Christmas carols and a draw. Refreshments will be served including pizzas donated by Gino's Pizza in Georgetown.

Physically disabled adults who wish to participate in the weekly drop-in program can arrange for the Pegasus bus to pick them up at their home and drive them to the Acton Legion. Mentally handicapped persons, unfortunately, do not qualify for this service so volunteer drivers are needed to drive these adults.

For more information, contact Shirley Raszewski at 875-1531 or Heather Thompson at 873-1469.

#### Cards For Sale

This is another reminder that the Senior Citizens' Recreation Centre

**Leisure Link**  
with ESTHER CALDWELL

(SCRC) is selling locally designed Christmas cards at \$4 for a package of twelve. You can choose between an illustration of a Santa Claus or a church window. The cards are available at the centre (21 Charles Street) Monday to Friday from 8:30 a.m. until 4:30 p.m.

The SCRC will be closing on Friday, Dec. 22 and will reopen on Tuesday, Jan. 2.

The centre is now accepting 1990 membership fees — \$6 for an individual and \$10 for a couple. Membership entitles holders to reductions in programs at the centre, information on trips, and a newsletter that is published six times a year.

#### Travel Show

Those interested in hearing about

trips planned for this winter should attend the travel show on Thursday, Jan. 4, starting at 1:30 p.m. There will be a slide show and refreshments.

The annual general meeting of the SCRC will be held on Tuesday, Jan. 9 at 12:30 p.m. Those planning to attend are asked to bring a potluck lunch. Attendees will receive a copy of the annual report containing information from the many committees on the previous year's activities. Elections will also take place for the advisory board committee.

A free, six-week photography course begins Wednesday, Jan. 17. Ben De Sanders, who has a studio in town, will be offering instruction for beginning and intermediate photographers.

Dave Markham from Acton will be demonstrating the art of leathercraft on Thursday, Jan. 18 at 1 p.m. The nine-week course will run Thursdays from 1-4 p.m., starting Jan. 25. The cost of the course will depend on the choice of item — belt, wallet, purse, etc. The SCRC will be purchasing all of the necessary tools.

Seniors can register at the centre for these and other courses from Jan. 2-13.

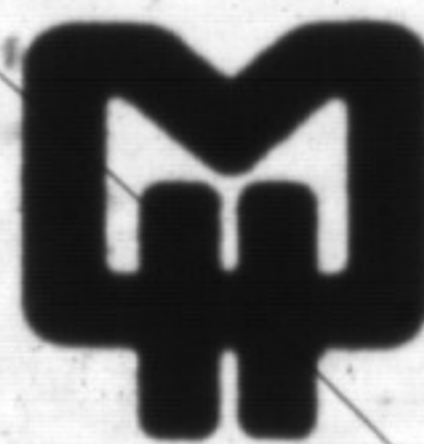

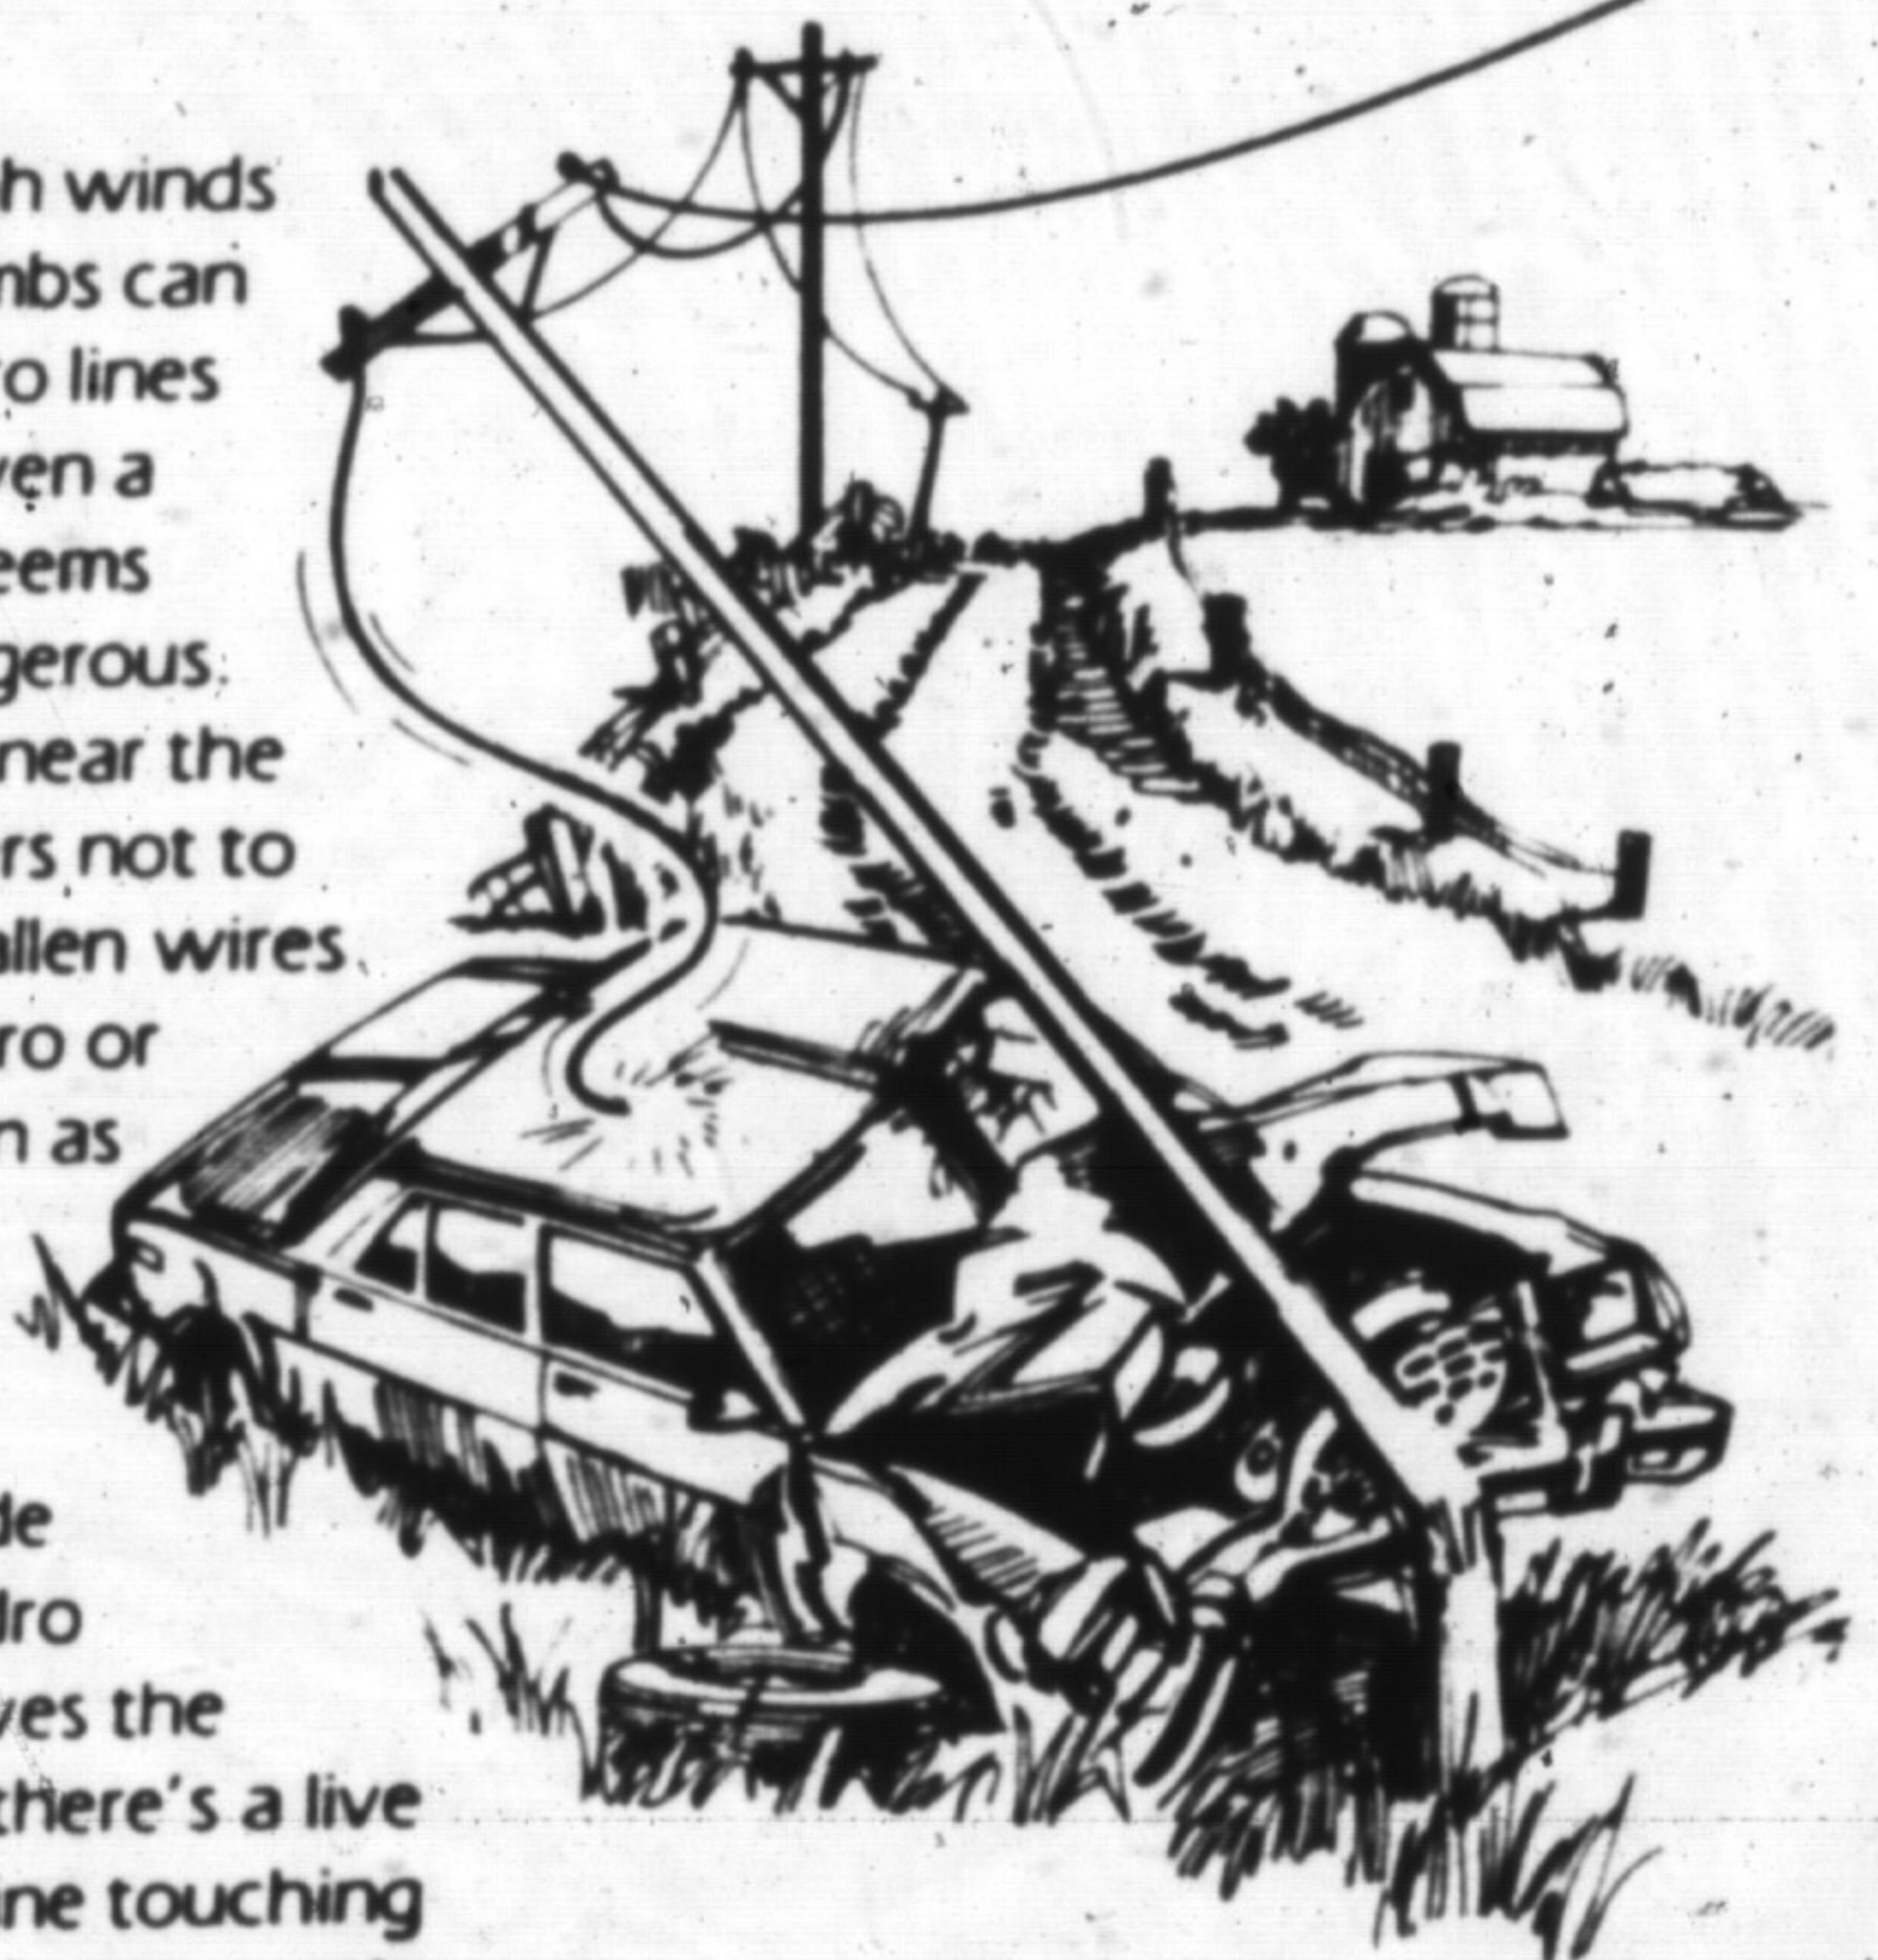

# Stay away from fallen wires

Ice storms, high winds or fallen tree limbs can bring hydro lines down. And even a fallen wire that seems dead can be dangerous.

So don't go near the wires, warn others not to and report the fallen wires to your local hydro or the police as soon as possible.

If a line falls across your vehicle, stay inside until a hydro crew removes the

line. If there's a live power line touching your car, putting even one foot on the ground can be a fatal move to make.
