*Price excludes freight and taxes. Dealer order may be necessary. Limited time offer. Dealer may sell for less. These offers are mutually exclusive and apply to purchase for personal use only. Those qualified buyers choosing a reduced financing rate in lieu of cash rebate on selected vehicles are eligible for 6.9% financing over maximum 24 month term. For longer term loans, other low financing rates are available as alternatives in cash rebates. See Dealer for details. Transactions are subject to Chrysler Canada Credit Ltd. approval on purchase and delivery at participating Chrysler Canada Ltd. Dealers from December 19, 1989 through close of business January 31, 1990. Delivery must be taken from existing Dealer inventory. Financing offers exclude fleet orders and retail lease vehicles. The offer's cancel and replace any and all previous offers and may not be combined. Example: if the amount financed is \$10,000 on the purchase of a vehicle for a term of 24 months, the financing rate would be 6.9% APR, with a monthly payment of \$447.27. Total cost of borrowing is \$734.48. Assuming a rebate of \$1,500 as the alternative, should you choose a reduced financing rate instead of cash rebate. Legislation requires that the amount of the rebate not taken be included in calculating the cost of borrowing in order to arrive at an effective interest rate. In the example given, the cost of borrowing, including the rebate not taken, would be \$2,234.48 resulting in an effective interest rate of 24.50%. For 6.9% APR and 9.9% APR, the following applies, respectively to the preceding example: Cost of borrowing, \$1,431.08, \$2,151.20. Monthly payments \$317.53, \$293.15. Effective interest rates, 20.38%, 18.78%. Cost of borrowing, including rebates not taken, \$2,931.08, \$3,651.20. Buyers must pay for transportation, licence, taxes, and other fees such as registration. Retail lease vehicles are eligible for cash rebate only. See Dealer for details.
