Oh, Canada

Local politicians, Town of Milton employees and Halton Regional Police participated in a special ceremony February 15 at town hall to celebrate the 25th anniversary of the Canadian flag.

Breathe A Little Easier

Ways Than One*

High-Efficiency Gives You The Most For Your Money

High-efficiency natural gas furnaces offer up to 98% fuel efficiency. And, natural gas prices are lower now than they were in April 1983.

So, it stands to reason, if you're using the most economical fuel available, and you're using it very efficiently, you can take the squeeze off the family budget - and breathe easier.

Natural Gas - The Natural Choice

Preservation of our environment is a subject of great concern to all Canadians. Factors such as acid rain, smog, auto emissions, ozone depletion and the misuse of our natural resources are most notable.

It's a fact, natural gas is kinder to the environment than other fossil fuels. By choosing natural gas, and using it wisely, you can help protect our fragile environment.

Bonus Specials Up To \$425* Value

Choose a high-efficiency natural gas furnace from names such as Clare, DMO Industries, Grimsby Stove, or Lennox, a central air-conditioner, and a Honeywell electronic air cleaner, before May 19, 1990, and you get a breathe a little easier bonus valued at \$425. Here's how it works:

- \$275 off a Honeywell electronic air cleaner.
- A free computerized, energy-saving set-back thermostat. (Approx. retail value \$150.)
- Plus - no equipment payments until July 1990!
- Ask About Off-Oil, Rental Water Heating And Other Available Bonuses!
