 DOWNTOWN MILTON MIRROR**

A Downtown Milton Weekly Report On Community News, Views & Happenings

**Farmers Market Moves  
 to Main Street**

Main Street will become the permanent home of the Milton Farmers Market, a project of the Chamber of Commerce. Beginning June 2 and running through October 27 every Saturday morning Main Street will be closed to traffic from James to Martin Street to allow for the market. This move has been a joint effort by the Milton Downtown BIA and the Milton Chamber of Commerce Farmers Market Committee to bring the market and downtown the recognition they both deserve. We are planning to invite the service organizations to participate by providing pancake breakfasts, etc. Saturday mornings will be your chance to come downtown and discover the wonders awaiting!!!

*With the Easter season upon us, the Downtown Mirror will begin a feature on the churches that reside in the Downtown core.*

**Grace Anglican Church**

The Governor General, the Earl of Aberdeen, laid the cornerstone for this handsome stone church in 1895. He arrived by special CPR train from Toronto. The Church was opened and dedicated November 12 of the same year. Mr. Bigson of Toronto was the architect, and the contractor was

Coleman Lumber Co. of Burlington. The earlier Grace Church was built about 1851, on land donated by Joseph Martin and his wife. It is still in use as the Parish Hall, to the rear of the stone building.
