

Easter Seals dance will benefit 200 local children

The Canadian Champion, Friday, March 9, 1990

The 1990 Easter Seal Campaign, supporting physically disabled children in Ontario, kicks off Saturday March 24 with a goal of \$15,100.

Fantasy Evening Dinner and Dance, organized by the Milton Rotary Club which is running the campaign, will be held at Halton Hills Place on Steeles Avenue beginning at 6 p.m.

"I know Miltonians will think of the children we serve and continue to give generously," said Paul Lingen, Easter Seal chairman.

"As long as there are children with physical

disabilities who need our help, Easter Seals and the Milton Rotary Club will be there to ensure that much needed quality services and programs are maintained."

Helped since 1922

The Easter Seal Society has helped children with physical disabilities in Ontario since 1922 and is one of the oldest and largest children's charities of its kind in North America.

The organization delivers financial assis-

tance for equipment, travel and treatment, recreational and educational programs, diagnostic clinics in Northern Ontario, parent/family support groups, augmentable communication programs, and in-home consultative services from a province-wide network to 40 district nurses.

The Society also supports research into causes, prevention and treatment of physical disabilities, said Mr. Lingen.

"There are more than 7,400 children on the

Easter Seal caseload. Some 200 live in the Milton area. Rising health care costs and difficulties in raising funds are making it more difficult to help the youngsters in our own community and elsewhere."

Tickets available

Tickets for the fundraising event can be purchased from the Paul Lonergan Insurance Agency at 878-8109 or from Randy Masters at Discount Car and Truck Rentals, 878-4131.
