

# Gamblers gathering for casino night at seniors' centre

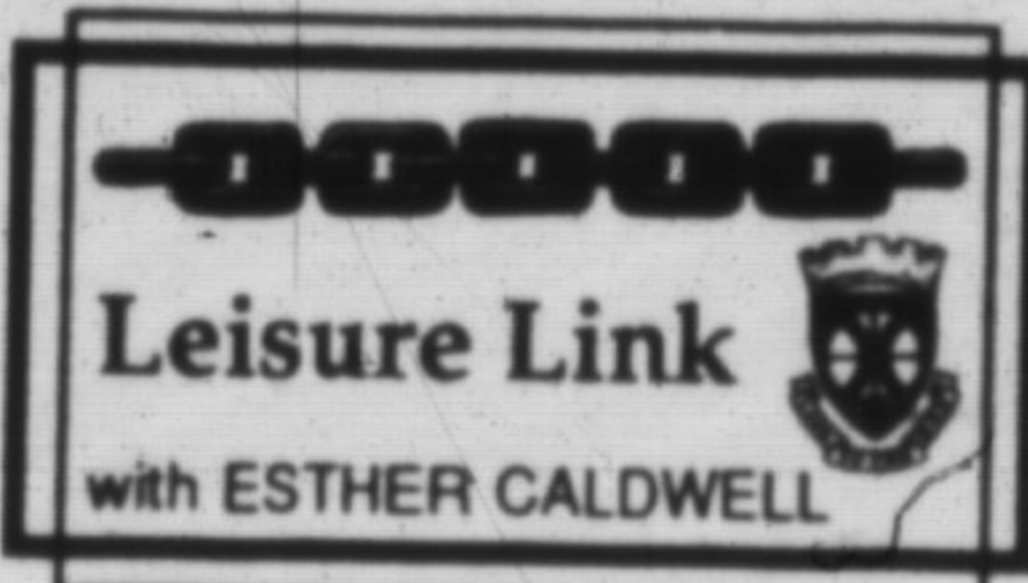

The Senior Citizens' Recreation Centre (SCRC) is holding its first casino night on Tuesday, March 27 from 4-8 p.m.

For only \$4, you can receive \$5,000 in play money to gamble away on bingo, crown and anchor, and blackjack. If you have any play money left at 7:30, you can bid at an auction.

The leathercraft course which concludes on March 22 has been so popular that it will remain as an on-going program Thursday afternoons from 1-4 p.m.

Movie day at the SCRC comes the first Wednesday of every month, from 1:30-3:30 p.m. The viewing of a full-length feature film will cost you a mere 50 cents. The next movie date is April 4.

You can now play table tennis at the centre Monday afternoons and

Wednesday mornings.

If any senior is interested in taking a first aid or CPR course, contact Cindy Anderson at the centre (875-1681). There will be a CPR demonstration on Wednesday, April 4 from 2-4 p.m.

### Priming for Seniors Games

Preliminary tournaments are now taking place at the centre. Winners move on to the district level, then in

August, the district winners will compete in the Ontario Seniors Games in London. Five-pin bowling, darts, walking and cribbage are some of the many competitive events. More information on the games is available at the centre.

A bus trip to the Gulf coast and New Orleans will be leaving Milton March 26 and returning April 9. The cost is from \$845 depending on the type of accommodation selected. The travellers will stroll along the beaches of Mississippi, visit beautiful

homes of the south, and ride a paddlewheel boat.

Don't forget that registration for the spring programs will take place March 26-30 at the SCRC.

### Milton Youth Place

Milton Youth Place, the drop-in program for 10-14 year olds, will be holding a basketball clinic and organizing a round-robin tournament on Friday, Mar. 23.

On Friday, Mar. 30, a carnival is planned. Participants will be compet-

ing in balloon games, donut eating and other activities.

Milton Youth Place is located at Milton District High School. The doors open at 6:30 p.m.

### Play Ball

The Leisure Services staff are currently processing the many requests for community groups to book baseball diamonds and soccer and football fields.

Contracts will be mailed by the end of March.

## Owned locally

## New hardware store opens in Campbellville

Campbellville residents will no longer have to leave town to fulfill their hardware needs.

Campbellville Hardware is now open for business at Campbellville Country Court on Crawford Crescent.

Local residents Steve and Judy Gillis, owners of the store, say quality products and friendly service make up the heart of their business which opened earlier this month.

"A hardware store is something that the town needed," says Mr. Gillis. "This was one of the ways we thought we could help the community."

The main level of the store not only displays hardware items. Paint products, specializing in antique paints, and craft supplies fill the shelves.

The store also provides key cutting and a delivery service for senior citizens in the area, said Mr. Gillis. And in the near future, the basement of the store will be open to customers and stock is expected to double.

"We'd like people to come in to browse and talk," he added.

## Artistic:

The only name you need to know in spas.

Lifestyle  
MASTER DISTRIBUTOR

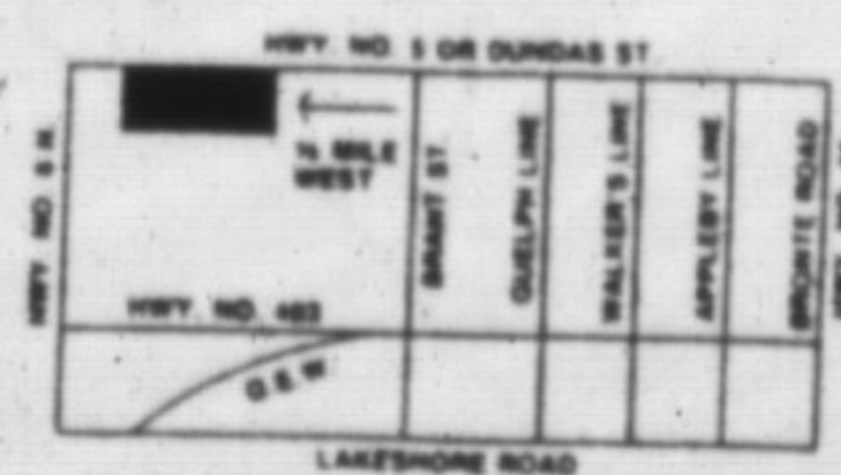

## Here's why —

- Making waves since 1967 — Selling & servicing spas for the last 15 years.
- Largest display in Ontario with 80-100 spas under one roof... properly displayed with indoor cedar — surrounds, tiles, gazebos, Japanese garden rooms, solariums, wood decks and flush-mount designs — now building outdoor patios with spas and gazebos for backyard settings.
- Our new giant, classy showroom has four quality lines of spas \* one of which is our own design \*
- We have shopped the U.S. and European markets for new products and ideas for your viewing and to complete our full line of accessories.
- Two large warehouses — 10,000 sq. ft. — separate from showroom — where spas are stocked for prompt delivery.
- In our warehouse we custom plumb and design.
- All our spas are pressure-tested, water-tested and air-tested.
- In our workshop — we make gazebos, Japanese garden rooms, wood steps, wood skirts and cabinets, etc.
- In our water-test shop — we test different types of equipment manufactured in the U.S. and Canada. We test for water flow and volume — noise levels — and energy-efficiency.
- All of our new support equipment is WARRANTED FOR 2 YEARS.
- We never make a statement like "2 or 3 left in stock", in order to create urgent sales. Just straight talk and honesty.
- Service is not sacrificed for more spa sales.
- We have a full-time staff, separate from our pool service, for fast delivery, installation and start-up, all year-round.
- We don't sell spas, we show them.
- Our policy is you get what you pay for. That rule has never changed in our thinking. Our saying is "Compare apples with apples".
- 90% of our business is referral.
- We make no false statements; we back up everything we say with action.
- Maintenance-free spas.
- Pressure-free environment.
- Home inspection prior to sales and delivery.
- Complete rooms, gazebos and wooden skirting on display.
- Most knowledgeable and friendly staff — see for yourself. Paid only by salary, no commission.
- Selling & servicing quality spas has always been number one with us, not fattening our wallets!
- An educated consumer is our best consumer.
- Think before soaking into a hot spa — it could be a very cold experience.
