HIS FUTURE IS IN YOUR HANDS

The statistics on new business failure are frightening. Some reports show that as many as half fail in the first two years.

Your community doesn't have to follow these statistics if you will shop with your home town merchants. They need your support and you need them to keep your community the great place it is to live, work and play.

Let's help keep the local stores in business and encourage new businesses to open. Without these stores you would be left to pay the tax burden alone. Think about if before you go shopping in the nearby city.

Keep part of the dollars you spend...SHOP IN MILTON!!!
