Macpherson shows improvement at national diving championships

Bobbiann Macpherson

Bobbiann Macpherson competed in the Senior National Diving Championships in Vancouver recently, claiming a ninth place in both the three metre board and the tower and a tenth in the one metre board competition.

The competition, held at the Vancouver Aquatic Centre on March 22-25 featured Canada's premier divers looking for a spot on the senior national team.

The top four qualifiers will make up the senior national team.

The team will go to Florida and Mexico for major meets this summer in addition to competing in the Dive Canada meet in Ottawa.

Macpherson, 16, was a resident of Milton prior to joining the Thunder Bay Diving Club after her first year of high school.

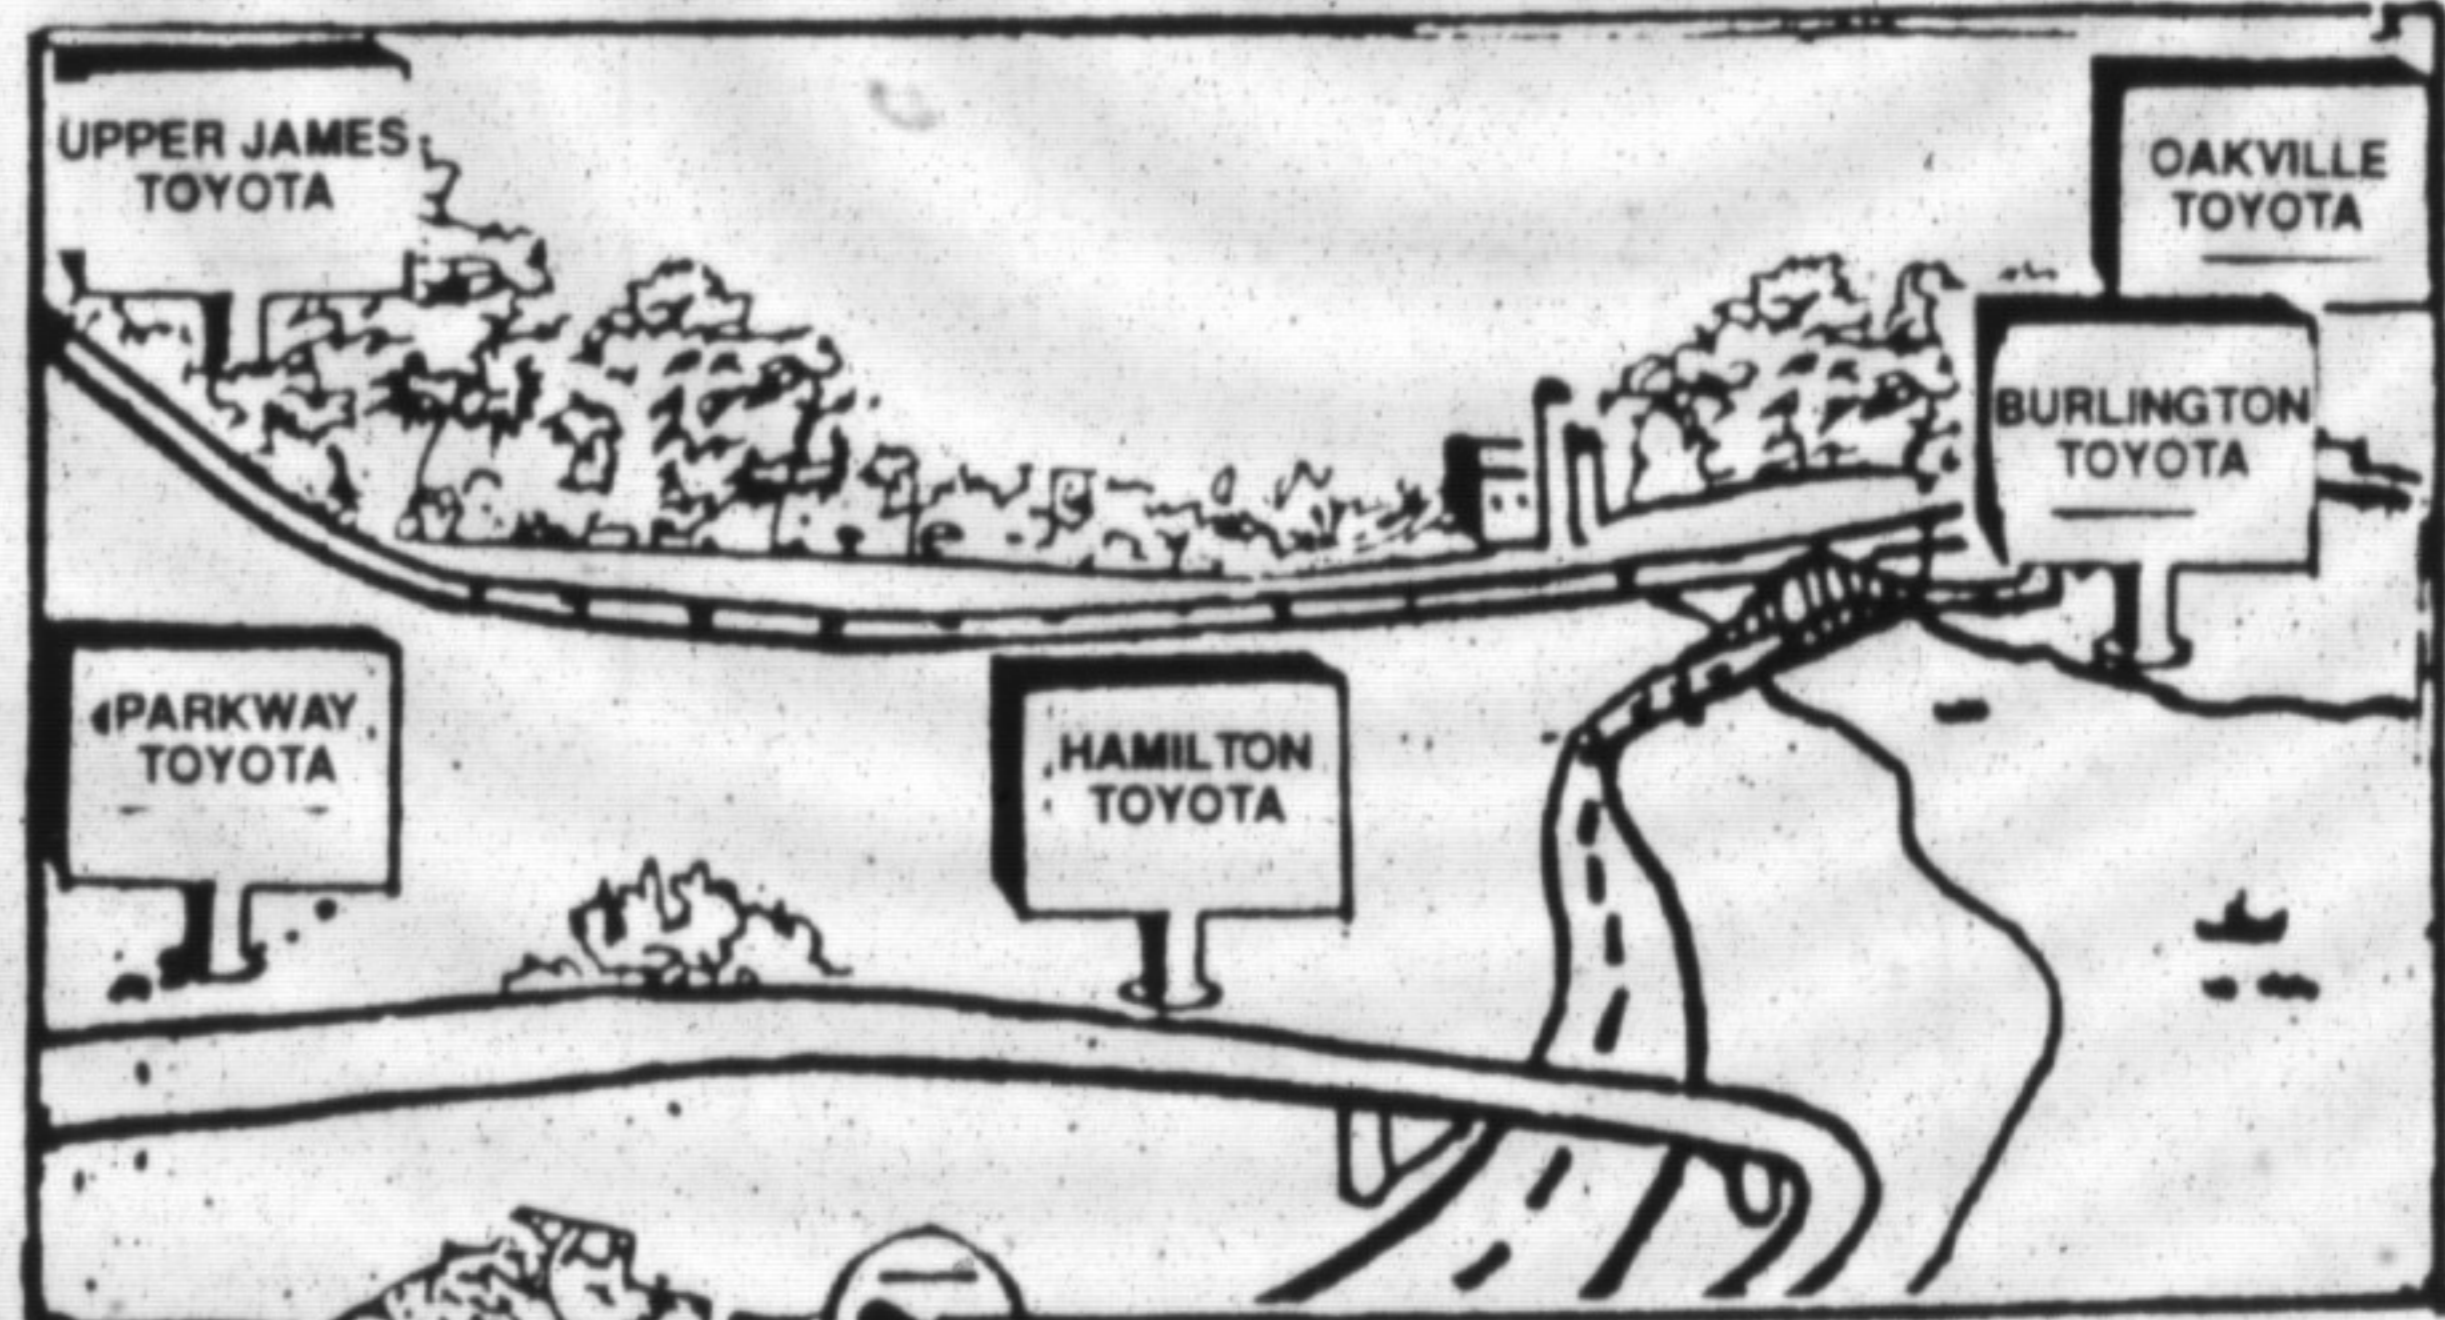

She will be in Etobicoke for the Etobicoke Invitational at the end of April and will compete in the provincial championships in June.

Last year she was a member of the Age Group World Team which went to Spain to compete. Members of that team are eligible to compete at Dive Canada. Macpherson's best finish last year was 11th in the seniors competition at the national level.

"This year and two others are the most important for her," said her mother Mariane Cormack. "We'll see what's what then, and then consider the options."

Macpherson will dive in the tough 16-18 age group for the first time this season. Any senior results she can achieve are gravy until her 18th birthday.
