How to take a shower without taking a bath!

For a limited time only, Ontario Hydro will give you up to \$10 Cash Back when you buy an easy-to-install energy efficient showerhead. That's a savings of up to 25%.

But you'll save more than money. An energy efficient showerhead uses less water. In fact, by installing an energy efficient showerhead you'll save about 30% of the hot water you use for showering.

And you'll still enjoy a great shower. In fact, the only way you'll know the difference is by the hot water you'll save.

April Showers Savings Days. Now through May 19.

Visit a participating dealer today for details. And **Get up to \$10 Cash Back!**
