

Escarpment will become world reserve

Ontario Premier David Peterson and a United Nations organization will designate the Niagara Escarpment as a world biosphere reserve today. The special ceremony involving the Premier and Federico Mayor, director general of the United Nations Educational, Scientific and Cultural Organization (UN-

ESCO), will be held at the Ontario Agricultural Museum from 2:30 to 5 p.m.

The designation recognizes the unique natural features and ecological importance of the area in which land use is regulated under the Niagara Escarpment Plan.
