Perpetuating The "Small Town" Feeling...

Delacourt's - Vera Delacourt

Vera Delacourt, owner of Delacourt's, North Halton's only china shop, is approaching ten years in business. In the past ten years she has developed a custom of displaying a registered bride and groom's name in her window in the Town Square on the corner of Main and Martin Streets.

"It's become a tradition to drive down Main Street and see who's getting married," Vera said. This retains the "small town" feeling.

The small town feeling is something Vera is very proud of promoting. This loyalty is a value Vera passes on to her customers. For a wide array of china, gifts and bridal registry, see Vera anytime. She'll be glad you did.

**FLORAL
DESIGNER**

The City Florist is pleased to welcome Gail (Brown) Pocock to her store as a floral designer. Gail has an extensive background in floral design and is a long time Milton resident. The City Florist and Gail look forward to assisting you with your next floral arrangement.
