

**Pet of the Week**

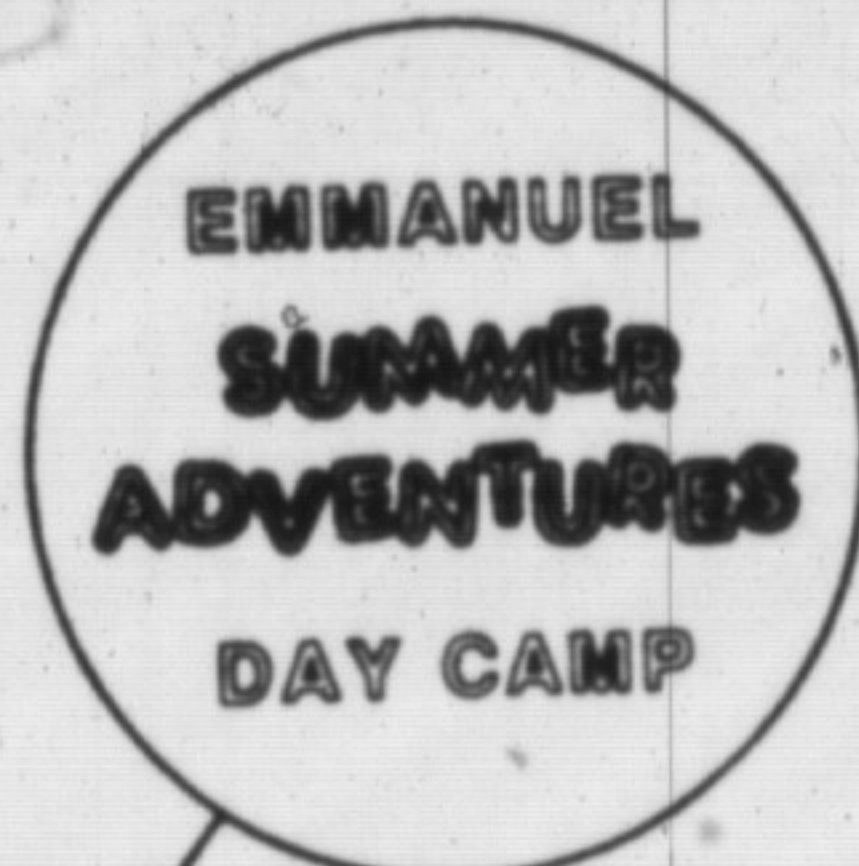

This orange cat is Molson. He is only a year old and is neutered as well as declawed. Molson likes people, but not other cats, so he would be best in a home without felines. Call 845-1551 or drop by the shelter at 445 Maple Ave.

**Smoking ban push**

The Halton Council on Smoking and Health has asked all establishments in the region catering to children to adopt a smoking ban. Approximately 800 Halton organizations and workplaces were sent information prepared by the council outlining the harmful effects that secondhand smoke has on young people. "Children look up to adults," said Mary Goodfellow, a council spokesperson. "Children are starting to smoke at a younger and younger age." The council hopes that through adults setting a better example, youth smoking will be curtailed. "We have had a very good response so far" noted Ms Goodfellow. Several organizations have become smoke free, including the Halton Regional Police Force.
