Going my way?

Their way is right to the bank to deposit \$2,000 raised in the recent Milton Swim Club swim-a-thon. Kristi Roselle (left), Mary-Anne New and Jessica Roselle all took part by swimming lengths. The club will keep \$250 to help run their own programs and the remaining \$1,750 will be forwarded to Swim Canada.

Milton women capture intermediate hockey title

The Milton girls hockey team won their first provincial title last weekend in Mississauga. They captured the Intermediate C Division championship with a 3-2 win over Cobourg.

Milton skated into action wearing uniforms emblazoned with the initials P.J.W. in memory of their former coach Priscilla Jean Wanless, who

lost a battle with cancer last July. The squad considers the Ontario championship a fitting tribute to their former coach.

Wanless had co-coached with Bob Lee for four years. According to team manager Marilyn Picard, during that time her dedication and quiet determination gave the team something to see INTERMEDIATE on page 16

teams from further play. The Dickens scored first on a nice pass by Joe Debora to Matt Szafer, who fired it in from the slot. Szafer scored again to make it 2-0 after eluding three Fearmans defenders.

Des Leonard got Fearmans back to within a goal despite a determined Dickens defence. The goal set up the last second heroics to tie the match.

Milton Honda played against the Optimist Centre, needing only a tie to advance to the semifinal round. They picked up a 4-0 win thanks to a second half charge. The first half was scoreless.

Paul Nolan broke the scoreless stalemate with a chip shot over the Optimist goalkeeper. Griffin and Roy Christopher were quick to capitalize on the low morale of the Optimists to push the lead to 3-0. Paul Vidovich rounded out the scoring.
