

Intermediate C champs win one for their former coach

from MILTON on page 15 measure themselves against. This season her husband Jim joined the team as a coach and watched with pride as they collected the win. The three teams in the divisional finals were Cobourg, Kent and Milton and all were evenly matched. After a loss to Cobourg earlier in the

day the Kent girls came out strongly against Milton. Both teams had good scoring chances before Melanie Hewitson put Milton ahead, slamming her own rebound into the net. Kent came back to tie the score in the third period and that's how it ended, 1-1. Milton's second game was against

Cobourg and the teams came out flying. Cobourg struck first. Milton goalie Kelly Picard made an excellent stop on a Cobourg breakaway but was unable to stop the rebound from going in. The Cobourg lead held up until late in the third period. The Milton goalie was off the ice in favour of a

sixth attacker when the game was tied up with just 50 ticks left on the clock. Kim Lee tipped in a pass from Karen Haringa to secure the tie, which gave Milton a berth in the championship game. Because of the tie Cobourg also advanced with a 1-0-1 record. In the final Milton built a 3-0 lead

on a pair of goals by Lee and a single by Kim Hagen. Lee, Hagen, Carrie Gallant and Jenny Brooks picked up assists. Cobourg stormed back in the third period by taking advantage of Milton penalties. In the final two minutes Milton put on a tremendous defensive display to hang on to the 3-2 decision.

The Milton girls wind up the season in Brampton next weekend in the Brampton International Tournament.

More than 200 teams are invited including approximately 50 from the United States. Milton is scheduled to play Belleville, Livonia (Michigan), and Chelmsford (Massachusetts).

Major atoms royally beaten in Optimist tourney final

The Milton major atom A's were crushed in the final of their own recent tournament 8-0 by Guelph, a hockey team they had beaten in earlier play.

The tournament opener for Milton was against Guelph, a game the home side won 2-1.

Andrew Sandziuk and Ryan Parker potted the two Milton markers and Sandziuk was selected game MVP.

On his goal, Sandziuk gained control in his own end and raced down the left wing. He managed to get clear deep in the Guelph zone and let go a shot from a bad angle that split the goalie's legs at 5:07 of the second period.

The first period had been scoreless and except for the lone Milton goal the second mirrored it.

At 2:37 of the third, however, a scramble in front of the Milton net fuelled a funny bounce which tied the score.

A few minutes later Aaron Curran contained the puck at the blue line and passed to centre Billy Robbins, who relayed to Parker. Parker slipped a shot along the ice which filtered through a number of players and into the Guelph net.

Milton 4 Oakville 0

The second game of the tournament was a walk for Milton as they claimed a 4-0 win over rival Oakville.

Andrew Sharpe was named the game MVP on the strength of a hat trick and an assist on the night. Peter Dennis earned the shutout for Milton while defenceman Curran counted three assists.

Curran blasted a shot from the point and Sandziuk poked in the short rebound to open the scoring. Sandziuk made a nice play to keep the puck in at the blue line and it led to the second Milton goal when he dished it off to Sharpe, who charged in to score.

Sandziuk and Sharpe broke into the Oakville end on a two-on-one and began the play that ended in a Milton goal. Sandziuk's shot was stopped by the Oakville goaltender but the lively rebound hit Sharpe on the leg and rolled into the net.

For his third goal Sandziuk tipped in a shot from the point by Curran.

Outhustled

Milton then came up against Flam-borough but lost a 4-2 decision.

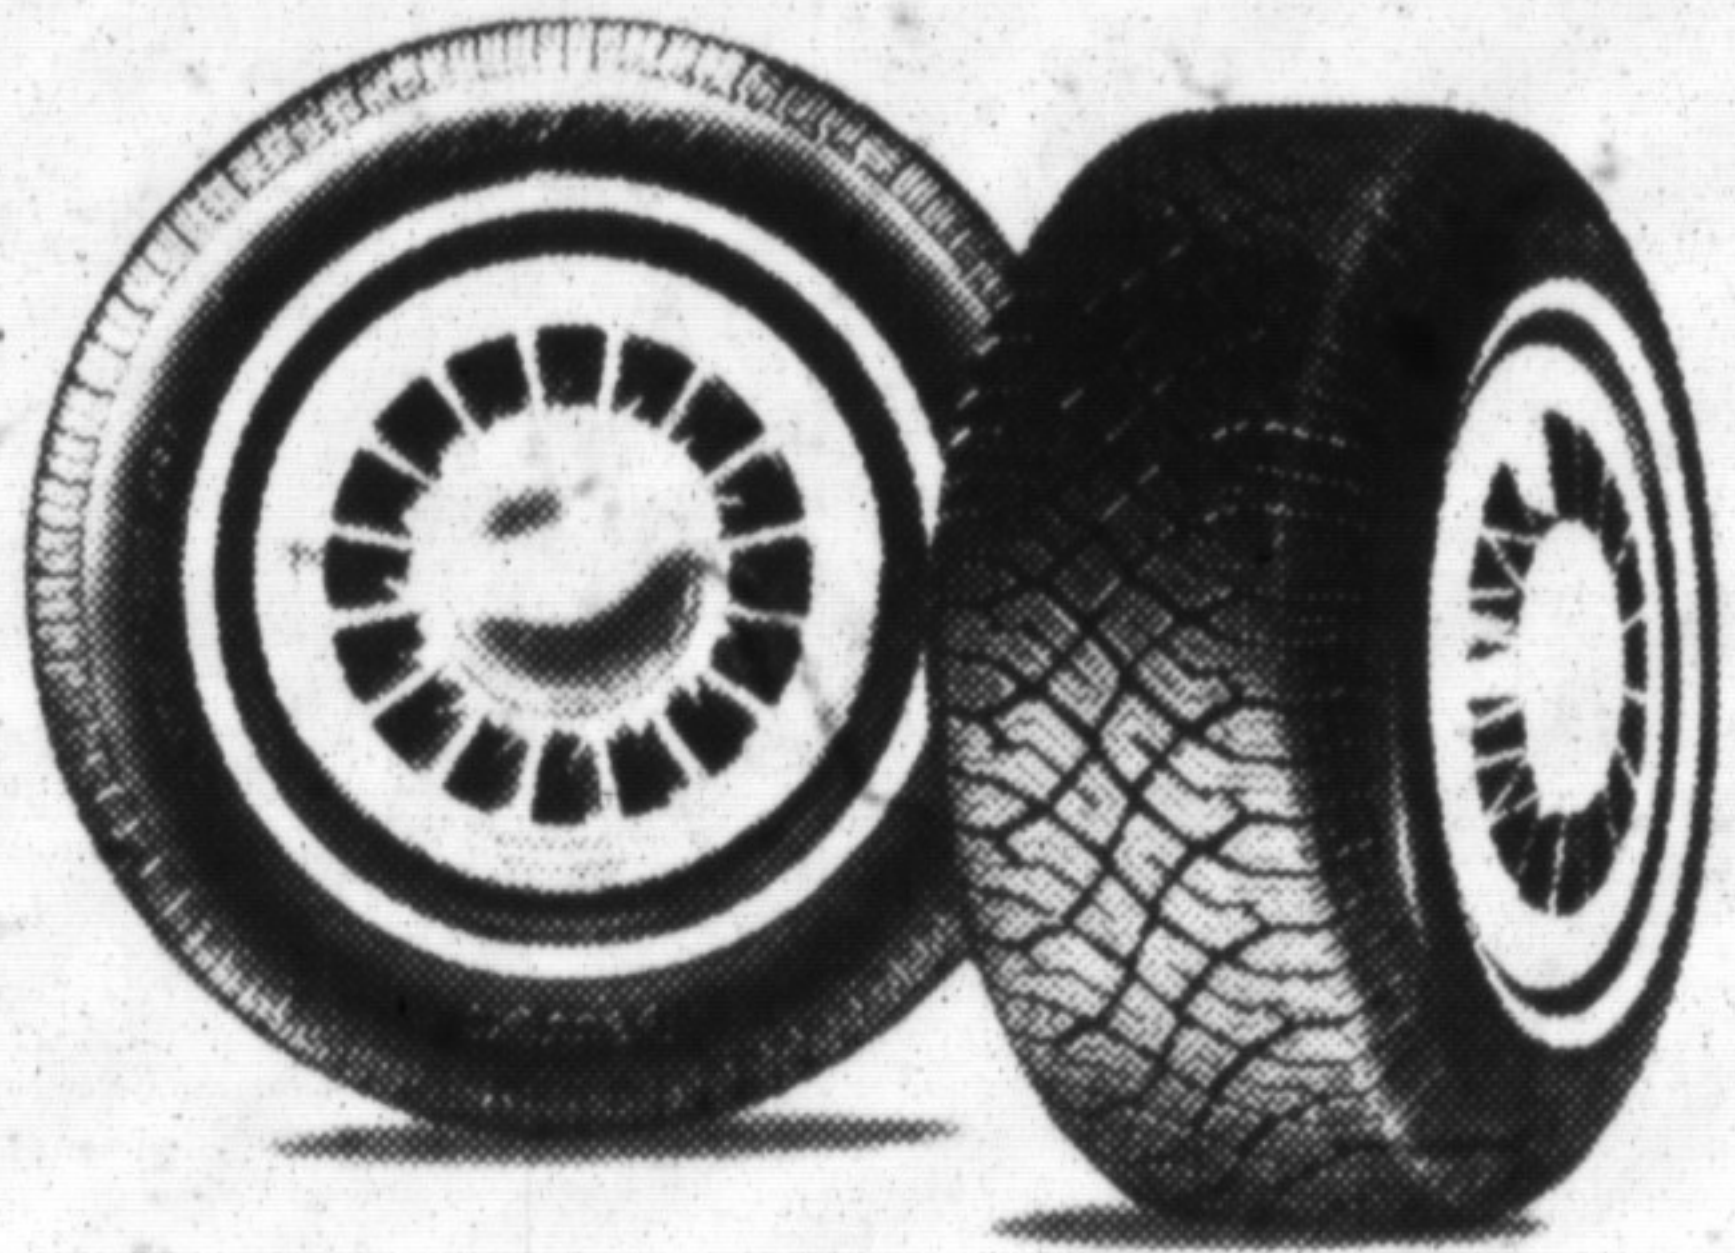

The Milton squad was outhustled the entire game. Billy Robbins and Derek Rockel scored the two Milton markers.

Despite the loss the home side qualified for the tournament final with their 2-1 record.

But Guelph totally dominated that game with pinpoint passing and good use of their larger size, especially in the corners, along the boards and in front of the net.

Rockel was cited as the game MVP for Milton because of his determination to play hard, despite being on the losing side of a very frustrating game.
