## Penny drive

Photo by JOHN WARREN

Money raised through a penny drive at St. Peter's School will be donated to less fortunate people in Guatemala. Kindergarten and Grade 4 students (above) raised the most money among their colleagues. Father Earl Talbot of Holy Rosary Church accepted the \$900 cheque from student Claudine Macedo April 10.

## At Crawford Lake

# Spring festival events are up in the air

Crawford Lake Conservation Area will welcome spring on Sunday May 6, with the Spirit Soars Festival, featuring soaring of two sorts, kites, and the commonly seen turkey vultures.

Kite workshops will be followed by demonstrations, then a competition to test the creations, with prizes being awarded to the winners. As

well as kiting, a guided hike is planned through the Nassagaweya valley to look for turkey vultures.

Spring on the Niagara Escarpment is dominated by breathtaking wildflowers, and visitors will have the chance to see many of them at their peak, as they are guided through Crawford's wooded trails.

For native people, spring brought the time for planting, hunting, gathering and celebrating new life. The festival's celebration will be shared with the invitation to help in the planting of the Three Sisters Garden of corn, beans and squash; join in native games; explore the Turtle

Clan Longhouse or make some native jewellery to take home.

The day will also include barbecued hot dogs, musical entertainment, and a draw for a Brian Darcy Print.

For this festival of fun bring your kites, family and friends to Crawford Lake Conservation Area.

The cost for the day is \$6 per car. For more information call the Halton Conservation Authority at 336-1158.

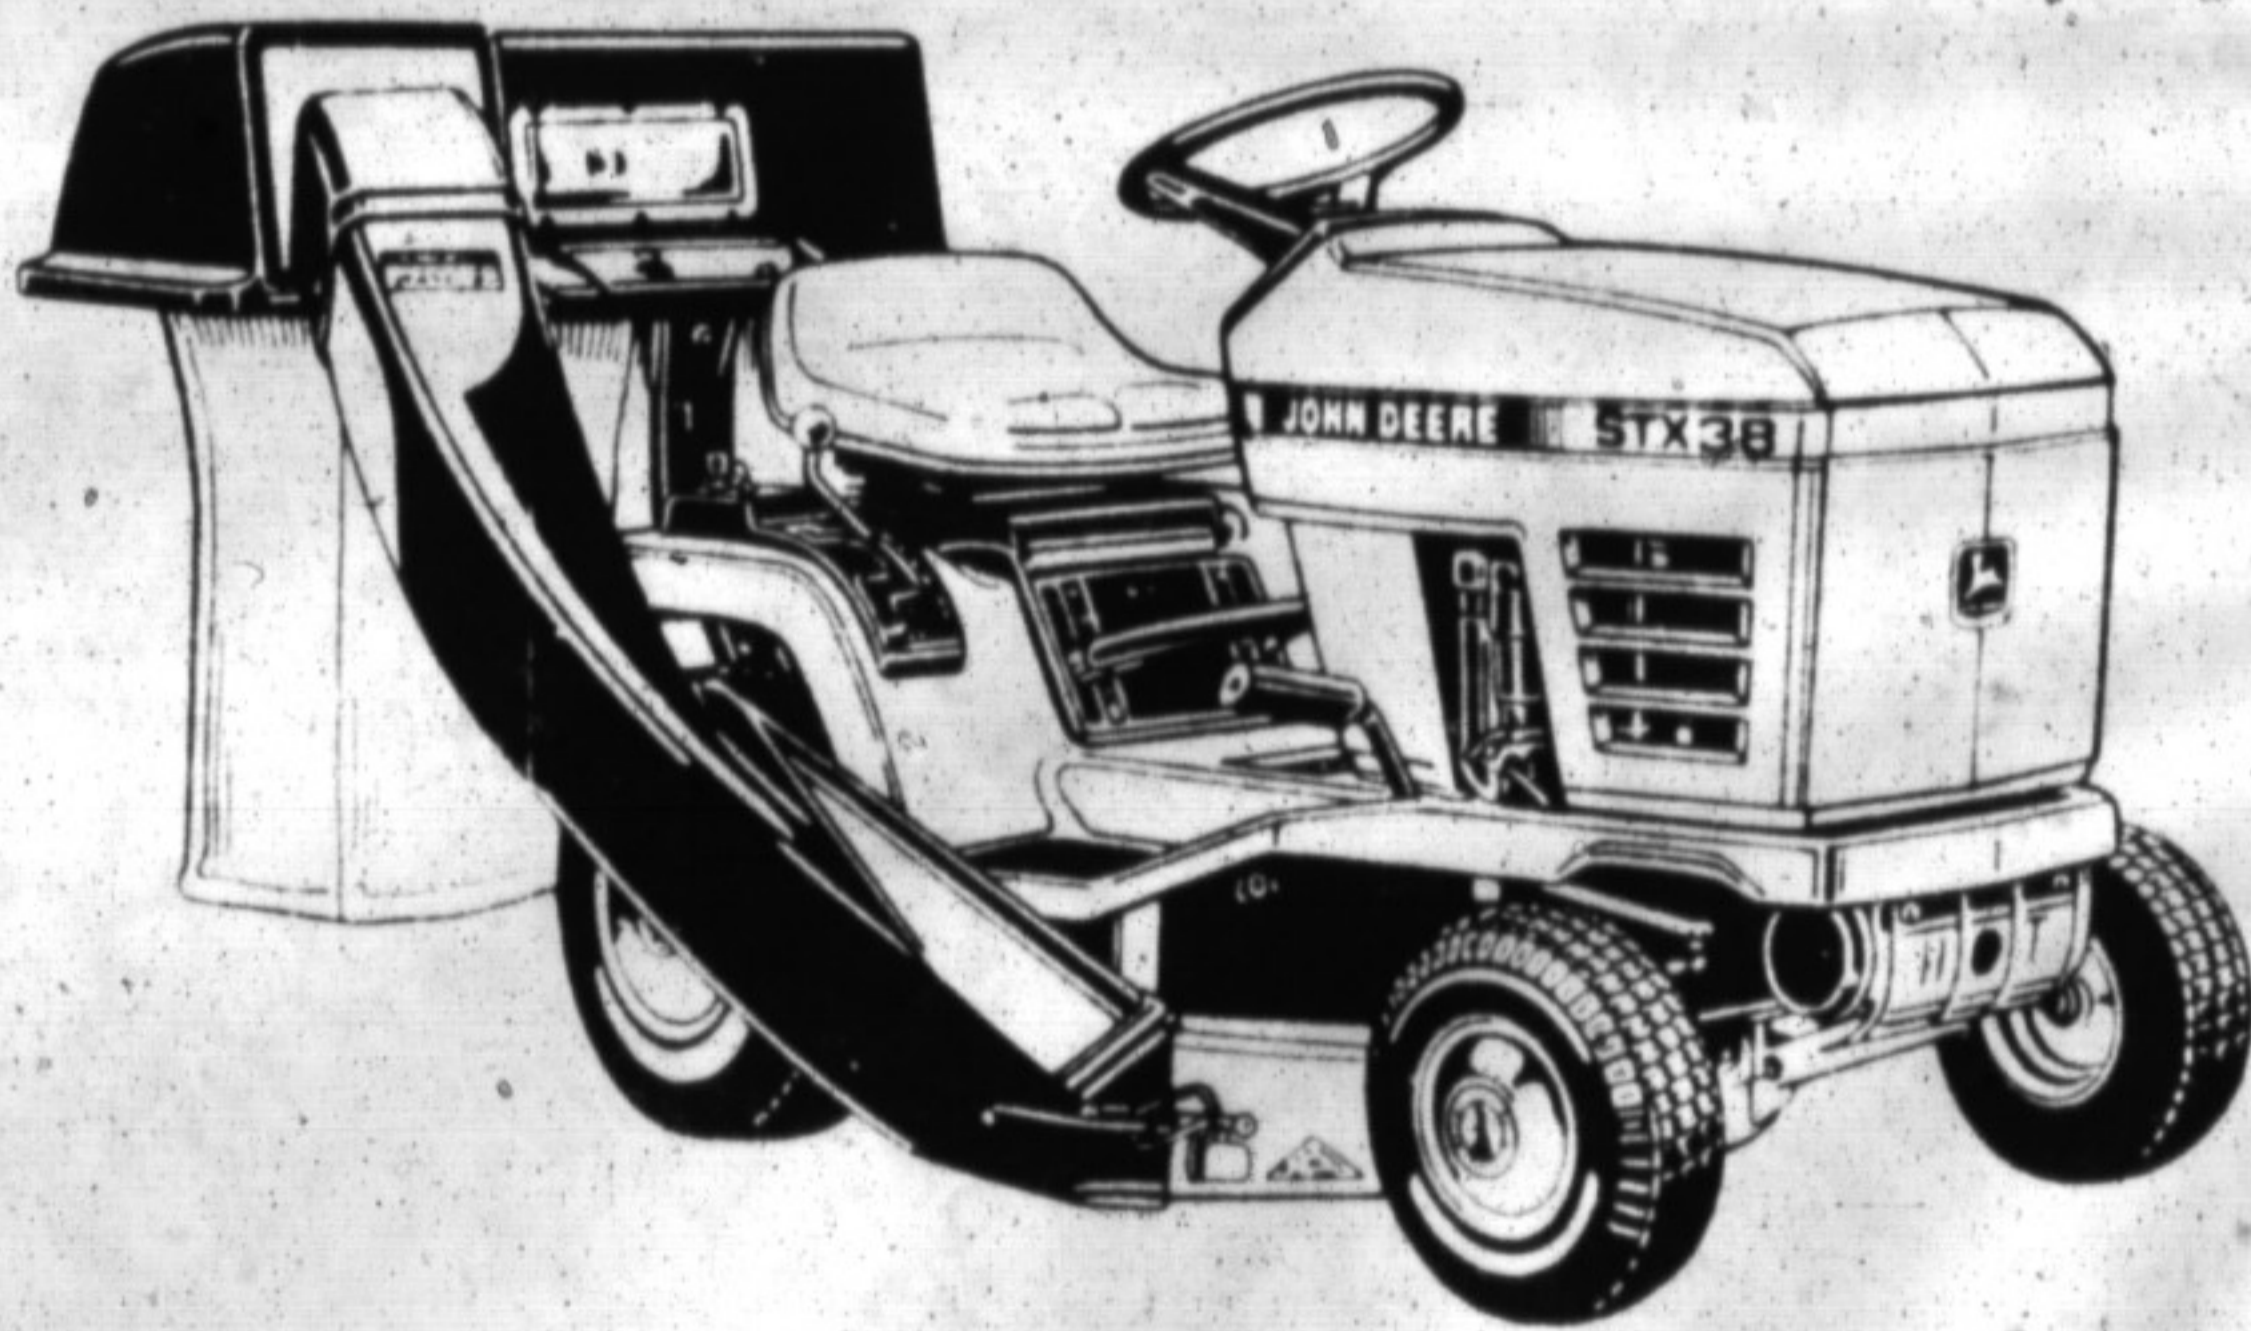

Crawford Lake is located at the corner of Steeles Avenue and Guelph Line — 15 miles north of the Queen Elizabeth Way or four miles south of Highway 401.
