"I lost 110 lbs. and kept it off with Nutri/System. Now my husband is seeing a new woman. Me."

"I feel I'm a much happier, healthier, more caring person — my husband agrees and I'm going to stay this way forever. I couldn't have done it without Nutri/System. They helped me discover my problem — when I was bored, I would eat. Once I learned that, it wasn't a problem anymore. I was able to lose weight and keep it off for 6 months. Now the romance is back in my marriage. My husband and I just renewed our vows. It's like being a newlywed again."
