Fireworks will light up Kelso sky when Lions Club holds 42nd event

What, after 42 years, is still as big, spectacular and loud as ever? The answer is the 42nd annual Campbellville and District Lions Fireworks.

Birthday. This year's show will be held at Kelso Conservation Area on Monday, May 21.

This annual tradition began in Campbellville by the village pond shortly after World War II, and has been held ever since. The display

was organized by the Campbellville Mohawks baseball team until eight years ago when it was taken over by the Lions.

Ken Marshall, fireworks chairman, says the event is a fundraiser with proceeds going to charities and local community projects. Mr. Marshall said, depending on the weather, the Lions hope to raise about \$2,000 with this year's display.

The gates will open at 6 p.m., with the fireworks starting at dusk. There will be various activities to occupy the children between these times.

The cost will be \$7 for each car. For information contact Mr. Marshall at (416) 689-0934.
