

MOHAWK'S FIREWORKS WILL PUT A SPARKLE IN YOUR EYES.

Fireworks Night at Mohawk Raceway just keeps getting bigger and brighter! And this year, Sunday, May 20th will be no exception. As well as great fireworks, we'll have a puppet show, a magic show, a petting zoo and a live Dixieland band. In fact, we have so much for the whole family, we're going to have an early post time of 7:01.

So come out this Sunday and let Mohawk's fireworks put a sparkle in your eye.
