DREAM WEAVERS

Jerry has plenty of reason to celebrate. His real estate representative had barely finished putting the "For Sale" sign on the front lawn before prospective buyers started lining up their viewing appointments.

Now, Jerry may not have realized it but his decision was shrewd.

By listing with an accredited member of the Oakville, Milton and District Real Estate Board, Jerry assured himself of a proper home evaluation. After completing a detailed inspection, his representative helped Jerry determine the best price for his house.

You see, proper evaluations can make or break the sale of your home. Trusting the

process to someone unfamiliar with your neighborhood can be disastrous.

The 700 qualified representatives of the Oakville, Milton and District Real Estate Board are uniquely experienced to help determine the best price for your property. They have up-to-date access to the sales history on your street and around your block. And, because they know our town, they're tuned into the special qualities that attract the right buyers.

When it comes time to list your home, contact a member of the Oakville, Milton and District Real Estate Board.

They specialize in making your dreams happen -- quickly.
