

Participating

We cycled, jumped, walked and twisted our way through Participaction Challenge Day on Wednesday. A total of 8,070 Miltonians registered their participation and although we didn't beat Newmarket, the event has to be called as a success. From left, some of those who "did it" for Milton were: Tina Braam, who cycled with a group at Milton District Hospital; Michelle Durants, one of 900 Bishop Reding students who did it; Helen Jarvie, a Milton Mile walker; and Kathleen Elliott who twisted at Milton District High School.

"With Nutri/System, I said goodbye to 50 lbs. forever."

"Everybody tells me how great I look since I lost the weight. What they don't realize is that I've maintained my weight loss for 7 months now. You see, at Nutri/System, I learned the importance of being active. How it not only helps you burn extra calories and lose weight faster, it also helps you maintain your weight loss. This means that my tennis outfits may change, but they'll always be the same size."
