Kelly Williams with three first place ribbons led the intermediate team.

She swept the jumping competition by winning high jump at 1.36 metres, long jump with a leap of 4.16 metres and triple jump soaring 9.14 metres.

Teammate Lyndsay Simpson brought home two red ribbons winning both the 800 metres in 2:51.29 and the 1500 metres with a time of 5:54.0.

Sandy Gent was close behind her with thirds in the saddle events.

Jannine Wessman set a new W.I. Dick school record in the 200 metres finishing first in 29.75 seconds.

She also added a third in a very close 100 metre race. Briar Ross was right behind her with a second place finish in the 200 metres with a time of 30.15 seconds, and a third in the tough 400 metre event with a time of 1:10.76.

Cindy Gorman completed the team scoring with a third in shot put throwing 8.52 metres.

The intermediates, like the juniors, took the team title. Combined with the efforts of the boys W.I. Dick claimed the track and field title for the second straight year.

Senior division participants were led by Shona Cameron who has had her strongest year ever.

She finished first in the 400 metres with a time of 1:09.2 and second in the 200 metres crossing in 30.08 seconds.

Julie Van Cedar seems to be following in her sister's footsteps, placing second in the 800 metre race in 2:52.7 and third in the 1500 with a time of 5:54.0.

Shannon Prevost was second in high jump with a 1.35, Kathryn Johnson placed third in triple jump and Julie Burnett set a new school record in shot put firing an 8.87 metre effort.

According to coach Lucy Dennis most of the junior and intermediate athletes, the core of the W.I. Dick team will be returning for another year of track.

## For North American Cup

# Final eliminations underway

The Burlington Pacing Stakes, one of the last major tune-ups before Canada's richest harness race, the \$1-million North American Cup attracted a record 33 starters for Saturday's eliminations at Greenwood Raceway.

The stake for sophomore colts divided into four \$25,000 eliminations with the top two finishers from each plus one third place finisher advancing to the \$214,000 final on June 9.

In 1988 Yves Filion won the Burlington Stakes and The North American Cup with his star pacer Runnymede Lobell. Filion would like to duplicate those results with his sophomore No Taste.

No Taste mastered the first hurdle enroute to The Cup as he paced to a 1:55.4 neck victory over General Trull in the first Burlington elimination and earned his spot in the final.

General Trull set the tone for a 27.5 second opening panel, a 57 second half, before No Taste took over for a 1:25.4 three quarters. General Trull and driver Dave Wall regained the lead briefly mid-stretch but at the wire No Taste was the best.

"He went a nice mile," commented Filion, "he had to work in the stretch and he'll have to improve to race in the Cup."

For No Taste, a son of No Nukes it was his seventh win in 14 starts

Seltzer Blue) and get spotted," said Kerwood.

The plan proved to be a winning one. It was his third win on the season in 18 starts and increased his purse account to \$78,900. Chefs Magic is owned by Lillian Pereira and Monico Stanislao of Plainfield. "You'll hear from this horse in the final," forewarned Kerwood.

Favourite Jake and Elwood paced a career best 1:53.4 mile in grinding out a victory in the fourth Burlington elimination for driver Doug Brown.

The Samadhi colt had to work to get to the front past an opening quarter commanded by King Gypsy in 27.2 seconds.

"I used him pretty well in the opening quarter," said Brown, "I didn't want to race him that tough."

Once on the front Jake and Elwood never looked back, set a 55.5 second half, a 1:23.9 three quarters and stopped the clock in 1:53.4, a half a length better than Gypsy King. Shipp's Schnoops closed for third.

The win was the fifth straight win in as many starts this season for Jake and Elwood.

The field for the \$214,300 final is as follows: No Taste, Jake and Elwood, Chefs Magic, General Trull, Gypsy King, Orange Sovereign, Seltzer Blue, Clementsy, and Apache's Fame.

and boosted his bankroll to \$64,900.

Apaches Fame extended his win streak to four as he romped to a wire-to-wire four length victory in 1:54.2 in the second Burlington elimination for trainer-driver Bud Fritz. The win pushed his season's total to \$37,600 for the Dover's Venture II of Chatham.

"I didn't have to push him tonight," said Fritz, "I thought some of the other horses would be closer to him."

Orange Sovereign finished second and Neat Touch was third.

Chefs Magic, a son of French Chef proved to be a pleasant surprise for trainer Monico Stanislao and driver Tony Kerwood in the third elimination. Chefs Magic benefited from a two hole trip until the three quarter pole when he pulled out to cruise to a length victory in 1:55.2 over Seltzer Blue and Road Machine.

"My plan was to follow the early speed horses (Road Machine and

# Stay away from fallen wires

Ice storms, high winds or fallen tree limbs can bring hydro lines down. And even a fallen wire that seems dead can be dangerous.

So don't go near the wires, warn others not to and report the fallen wires to your local hydro or the police as soon as possible.

If a line falls across your vehicle, stay inside until a hydro crew removes the line. If there's a live power line touching your car, putting even one foot on the ground can be a fatal move to make.
