Milton, Ontario  
L9T 4B6

**Success On Their First Job Begins At Home**

Working at McDonald's is the first job for thousands of young men and women. And our franchisees provide an environment that encourages the use of values they learned at home. Things like responsibility, Determination, Discipline, Teamwork, Ambition. These are the qualities that will prove invaluable in any of their future endeavors — at McDonald's or elsewhere. And we're proud to be able to provide them with their first opportunity to put them into practice in the work place.

**145 General Help Wanted**

**SHIPPER/RECEIVER**

Braker Canada is a small company affiliated with a large international group and is involved with end-testing, sales and service of analytical instrumentation for use by research chemists and physicists across Canada.

The position is at a junior level and should be ideally suited to a high school graduate. Training will be provided.

**Responsibilities:**

Maintain electronic components inventory, receiving, shipping, general warehouse & building maintenance. Valid driver's licence required.

The candidate must be well organized and be able to communicate effectively both in the verbal and written form. An interest in electronics, the ability to type and exposure to computers would be regarded as definite assets. We offer a pleasant, non-smoking working environment and a comprehensive benefit package.
