Horoscope

Forecast Period: June 17-23

ARIES (Mar. 21 - Apr. 19): A short vacation trip can be interesting and a welcome change from the daily grind. Enjoy the beauties of nature.

TAURUS (Apr. 20 - May 20): The community needs the kind of leadership you can give, but you must let your public know what you are capable of.

GEMINI (May 21 - June 20): Income and earnings are of prime concern. Making a hasty business move could put a surprise twist to the picture.

CANCER (June 21 - July 22): Don't let a chance to gain slip by. Favourable aspects promise peace and prosperity in the days ahead.

LEO (July 23 - Aug. 22): Catch up on homework and clear away all the unfinished business you've been meaning to get to some day.

VIRGO (Aug. 23 - Sept. 22): It can do no harm to become active once again in your social circle. An important someone is standing by. You've been missed.

LIBRA (Sept. 23 - Oct. 22): Your career takes off in a new direction. A different attitude prevails in your contacts with the important people.

SCORPIO (Oct. 23 - Nov. 21): A thirst for knowledge could find you on the highways and byways looking for the secrets of life.

SAGITTARIUS (Nov. 22 - Dec. 21): Such things as wills, insurance, taxes, legacies, are spotlighted, and your participation is a factor in their success.

CAPRICORN (Dec. 22 - Jan. 19): Dealing with a close associate could be very trying. Are you expecting too much from one on the other side?

AQUARIUS (Jan. 20 - Feb. 18): You may find yourself in the role of chief assistant to one who really needs a helping hand.

PISCES (Feb. 19 - Mar. 20): Be realistic about time and energy devoted to purely pleasurable pursuits. Also take a reading on the cost involved.
