**Hans averts shutout to Erin Mills**

from SUPREME on page 18  
that dropped in front of Penman then took a high bounce into the net.

The visitors took advantage of their size compared to Milton and cleared kicks out of harms way making penetration into the offensive zone difficult.

At the end of the first half the Optimists found themselves at the wrong end of a 4-0 score.

In the second half Milton had the wind advantage and after a slow start they began to put it together. Lewellyn was able to net one in the top corner on a direct penalty kick to put Milton on the scoreboard.

The home side controlled play through the remainder of the half but were unable to score.

**Re/max under 13**

Lack of offensive punch and close marking by the opposition paved the way for a 4-1 Erin Mills win over Milton Re/max reps at Thompson Park last Thursday.

The game started tentatively, with both teams marking closely. Milton enjoyed some good scoring opportunities early in the game but couldn't convert.

After applying steady pressure Erin Mills broke through for the lead at the 20 minute mark. It seemed only a matter of time before Erin Mills would score as the defence stopped attacking the ball carrier and instead started backing up to the goalkeeper.

Goalkeeper Boyd Laanstra made a couple of saves before being beaten on a screened shot to the left corner. Erin Mills used its speed to advantage to go ahead by two at the 10 minute mark of the second half. A perfectly laid up pass to the left wing enabled the winger to race in on goal.

Erin Mills got the insurance marker on a back breaker goal on a questionable penalty kick which spoiled any attempt of a Milton comeback.

The visitors added their fourth minutes later before Robbie Hans averted the shutout with a goal from directly in front.
