

This year's Canada Day celebration promises to be red, white and green

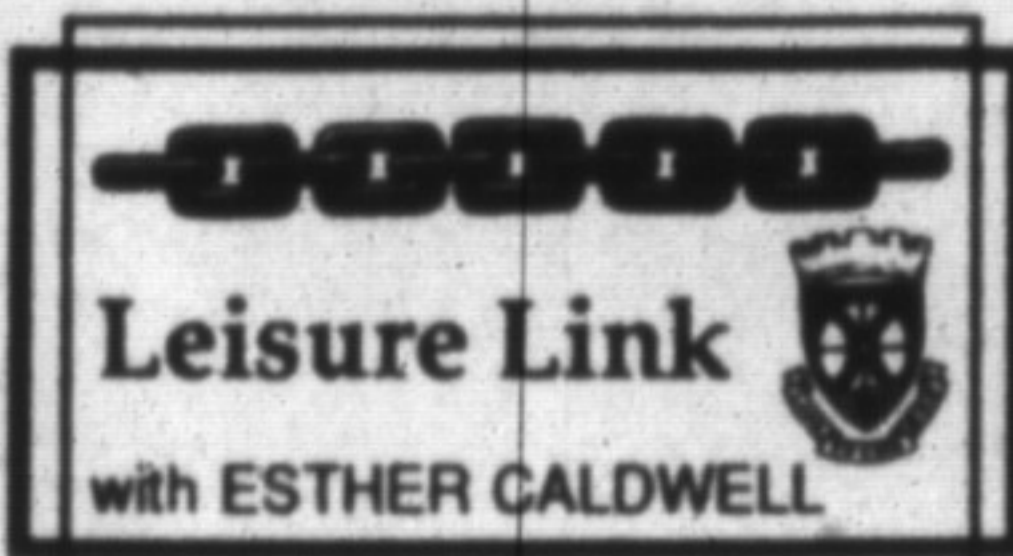

Get set for a big celebration. On Sunday, July 1, you are invited to Canada's birthday party.

Family fun and entertainment are taking place at Rotary Park, with Mayor Gord Krantz opening the day's events at 1:30 p.m.

Milton Choristers will lead those gathered in the singing of O Canada.

Make sure you get there early for a piece of the giant birthday cake which will be sporting this year's theme colours — red, white and green.

The first 1,000 families entering Rotary Park at 1:15 will receive a special present from the Town. As a reminder that we have to nurture and protect our native land for future generations, the blue spruce seeds in the gift packets can be taken

home and planted on your property.

Town Hall staff are excited about holding their first Environmental Awareness Fair that will be part of the July 1st celebrations. Local organizations and businesses will tell you how they are contributing to a healthier environment.

Information pamphlets dealing with many environmental issues will be available. By the time you finish checking out these displays, you'll know the three R's — reduce, recycle, reuse.

In support of greening, a maple tree will be planted by the Mill Pond. And what more appropriate raffle prize could there be than a composter for your garden?

While adults play a game of bingo, look at the community groups displays and shop at the crafts tables, the children can bob for apples, gobble up donuts or pizzas, toss water balloons, drive nails into a board, design shaving cream hairdos, and hop up and down in sacks.

Children can also ride on ponies and in pony-driven buggies, enjoy carnival rides, and pet African pygmy goats. A magician will mystify them and Mr. Twist the clown will create fantastic balloon figures.

During the afternoon, you can watch demonstrations of jiu-jitsu, gymnastics, and modern and square dancing.

You can listen to a strolling minstrel as well as young musicians from the Ontario Conservatory of Music.

When you get hungry, you can stop at the barbecue and beer garden hosted by the Rotary Club. Big Sisters will be offering a tasty peach drink and cookies at old-fashioned prices.

Later in the day, the Milton Jaycees will be pouring the melted butter over hot popcorn.

For those who want to get wet, the pool will be open in the afternoon at no charge. Children can dive for pennies, while toddlers can splash in the bubble bath wading pool.

The musical group, Brotherline, will be entertaining in the evening and a spectacular fireworks display will bring to a close Milton's celebration of Canada's birthday.

Parents need helping hand

Question: My parents are having difficulty keeping their home looking presentable. Is there any services that could assist them with window cleaning, grass cutting, etc.?

Answer: Halton Helping Hands offers a heavy house-cleaning and seasonal home maintenance program for the frail, elderly and disabled. Fees are geared to income. Call the office at 878-6403 for assistance.
