THE DOWNTOWN MILTON MIRROR

A Downtown Milton Weekly Report On Community News, Views & Happenings

SUMMER HINTS FROM THE VILLAGE CONSTABLE

We have a unique downtown area in Milton with narrow streets and wide sidewalks. This encourages cyclists and skateboarders to use sidewalks which creates a dangerous and illegal situation.

All Milton officers will be paying more attention to sidewalk riders now that school is out.

Riders, please help make the sidewalks a safer place for pedestrians and drivers, please be cautious and help make the streets safe for cyclists. Cyclists, be advised that you must follow the rules of the road just as cars must.

Let's have a safe & pleasant summer downtown.

SAYS GOODBYE

After some 50 years in this location we must leave. Art Melanson and Charlie Vizzini are saying thanks for all of the wonderful years.

We close our doors forever on Saturday, June 30th.

We say thanks to our clients, friends, supporters and fellow retailers for their loyalty over the years.

To the Milton Champion for supporting many events sponsored by the D.B.I.A. Keep the messages flowing.

As a final expression of thanks we are offering wonderful last minute bargains on our entire stock & fixtures.

Even if you don't buy, please drop in and say hello, and in the interest of keeping Meech Lake alive, we say Merci and Au Revoir.
